Be a Good Neighbor

1. Parents, talk to your children. Ask them to not ride their bicycles or other apparatuses through neighbors' yards.
2. Report any suspicious activity in the neighborhood to police.
3. PET OWNERS.....carry some sort of collection device when walking your pets. Make sure you're your children also carry some sort of collection item as well when walking your pets. There's been way too much dog waste left in our neighbors' yards and sidewalks lately. Please be courteous and Scoop your Poop!
4. Pick up any litter that may be blowing around the area
5. When parking on the street leave enough access to mailboxes.
6. Don't park cars on the street for long periods of time without moving them; keep unused vehicles in your garage or off site storage.
