

# RidgeRunner

**"We are here to serve, help and improve our neighborhood" (Vol: II September, 2007)**

**GENERAL MEETING:** This will be for the **ELECTION** of the new board. This will be held at the **Summit Ridge Club House** on Kitty Hawk on **October 9 at 7:30 PM**. Please be there to support your Neighborhood Association. This is your neighborhood--all the residents can and must have a vote in what happens. YOU control the Association, and if you live in Miller's Ridge, then you should care what happens here. If you do not attend or vote, you can not sit at home and complain about what is going on in Miller's Ridge. So come to the meeting and voice your opinion. This is the **ONLY** way anything can be accomplished.

At the September 11 General Meeting, we voted in the new By-Laws. Robert Whitehead and Dr. Sellers have done a great job on the Sign. With the rain and Robert trying to get his new company started, it has been very hard completing the repairs. Please have faith in Robert because it will be done soon. If everyone would only work together, it can be completed much more quickly.

**GARAGE SALE:** This will take place on **October 13** (Saturday). The ad will run in the *Express News* and *The Herald*. Get out your "things" ready to sell. It will start at 8:00 AM till ????. Now is the time to pick up some extra money, and get rid of your "stuff" that you have not used in 10 years. Last year we even had two or three homes on upper Chelmsford go together, that was great to see. **WORK TOGETHER!** It does pay off.

**COP:** We still have this program in place and Barry Hunt is really doing a great job. However, it is very hard doing this by himself, and again it is your neighborhood. Please help to protect and make this a safe place to live. Call Barry at 655-9556 and get signed up to help. **PLEASE!**

**DUMP YOUR JUNK--October 27-28 from 7AM till 9PM ONLY:** We have one more coming up, and it will be for **members only**. As always you may pay your dues at the site (\$30). Note--The payment is for **Dues only**. Dumping is **FREE** for dues-paying members. So bring what you do not sell at the Garage Sale, plus everything else, and haul it down to the Upper Pond area. It was mowed about two days ago and will be mowed again just before the event. Pick-up will be on October 29 at 7AM. As you know you **can not drop off** the following: batteries, tires, paint, anything that has Freon (like refrigerators), etc. By now, most of us know what we can and cannot do. Anything that you can not put in front of your home for the trash pickup you can bring to dump. Cut your trees back, clean up property. However, we do not want to see trash bags full of clothing, etc, donate them to **Medina Children's Home: 733-8888** or **The Arc of Texas - 657-9588**, or any other worthy cause.
