NRP Funding

Table column 3 : Should be omitted, The City of Minneapolis Finance Department has recently projected that Phase 2 of NRP will be only \$95,000 short of the 70% level for the entire city. In fact if the City Council voted to stop the withdrawl of approximetly \$4million from the Common Project for the years 2008 and 2009 for discretionary development (NOT POLICE /FIRE or EMERGENCY SERVICES as some have implied) we could approach the 100% funding level for Phase 2 which would put the Columbia Park total at \$175,525.

Call or e-mail CM Ostrow, thank him for supporting the minimum of 70% and ask him to strive for the full funding of NRP Phase 2 at 100% by voting to stop these unnecessary withdrawls.
