## MRNA Election of New Board

Barry Hunt, President Wilburn Gloor, Treasurer Stanley Thomas, Vice President and Carol Gilg, Secretary

### President's Corner

I am looking forward to serving the Miller's Ridge Community along with the new board for 2007 – 2008. We have an enthusiastic group and we plan to work for revival and renewal for our neighborhood.

We are working hard to put new ideas to work and your new board has many great ideas. Please pitch in and say I want to be part of the Miller's Ridge Neighborhood Association by paying your membership dues and volunteering to help out.

We are starting something new which we have had a wonderful response to and that is our Sub Groups. What is a Sub- Group? Fun and Friendship with your neighbors. These groups are forming and if you didn't sign up for at least one, then you are really missing out on some fun.

I have met with Arron Martinez with Bexar Public Works and he is doing an excellent job addressing our needs. As you can see there has been work done to replace or repair many of our sidewalks by the county and grass and weeds cut along Miller Road behind Vineland. Our streets are getting swept on a regular basis and I for one and glad of that.

Again, I am here to serve and help improve our neighborhood.

**Miller's Ridge Neighborhood Association November General Meeting** will be Tuesday November 13<sup>TH</sup> at 7:30 pm at the side meeting room at Saint John Neuman Catholic Church on Crestway. These meetings are to help shape our neighborhood and we need your input and support. Remember this is a general meeting that is open to all Miller's Residents, we are a Neighborhood Association and you can join if your own, lease or rent. Come and make a difference.

We are still collecting membership dues and it is never to late to join. Dues are \$30.00 per household and that is a real bargain. We have many functions during the year. *MRNA Holiday Light- Up, Spring MRNA Garage Sale, MRNA Spring Dump Your Junk, Bar-B-Q & Auction Fund-Raiser (open to the public), MRNA Fall Garage Sale, MRNA Fall Dump Your Junk, and we are adding MRNA Sub-Groups.*

There are many others that have worked very hard and supported this effort. Come to the **MRNA November General Meeting** for discussion on Phase II for completion.

### MRNA Fall Garage Sale

Saturday October 13<sup>TH</sup> was our Annual Fall Garage Sale and was it ever a success! Stanley Thomas was in charge of visiting with Sales and was our official photographer for this event and along the way he even collected some membership dues. Way to Go.....Stan!

### MRNA Fall DUMP YOUR JUNK

Another Success Story! Special thanks to Dr. Fields for being the Chairperson for this event, as always he ran a tight ship and collected more MRNA Membership Dues. Membership has its privileges. Thanks to board members and all the volunteers that manned this event. It took the county two days to remove all the deposits which were made by MRNA members, this was very successful event on October 27 & 28.

*Remember your Junk and Brush looks so much better on Trucks hauling it away than it does in your yard or garage.*
