

# Center City Neighborhood

## Progress In Center City

- Neighborhood clean up
- Abandoned property torn down
- More improvements to come.

## Happy holidays from the Center City Membership!

We, the staff of Center City, would like to wish all of our neighborhoods a very happy Holiday Season.

We know that families will be busy cooking and getting together as a family. That is a wonderful thing. If you have family cherish them. Family is a gift.

Our thoughts and prayers go out to those who have lost loved ones. Know that you are loved and cared for also.

Things may not always be clear to us. But for everything there is a season and a reason. Enjoy life to the fullest and especially cherish this Holiday Season.

## October Meeting Notes

The October CC meeting was held at the C.O.P station located at 10<sup>th</sup> and Washington St. on October 20, 2007.

We discussed participating with the Thomas Jefferson Neighborhood Association in their efforts to collect canned goods to donate to the Salvation Army. Stay tuned for future details.

Those in attendance brainstormed ways to increase CC finances and membership. One of the fruits of this brainstorming session was the Christmas decorating contest that will be held this Christmas season. This is one way that Center City is making an effort to be more visible in the community.

We also will be implementing several new ideas to help re-energize Center City. We are one of the oldest neighborhood associations and we would like to see memberships increase as well as input from the residence of center city.

If you have in further ideas and suggestions please come out to the November 17, 2007 association meeting that will be held at the C.O. P station located at 10<sup>th</sup> and Washing ton St. The meeting starts at 11:00a.m.
