Recyclers Rejoice!

Did you know that you can now put more plastic products into your "Little Blue" recycle bin? Recycling is a great way to help the environment and save room in your "Big Blue". The list of acceptable plastics, which was formerly restricted to types 1 & 2, now include plastics 3-7. That means you can toss in so much more: plastic milk jugs, beverage bottles, detergent bottles, yogurt containers, egg cartons, straws, plastic plates and cutlery, carryout containers, ketchup, syrup and other food product containers. And don't forget glass food and beverage jars, newspapers, newspaper inserts and magazines. However, don't put in bread sacks, plastic shopping bags or cardboard boxes, please. Check for recycle codes like this -  they can be extremely small. You don't have to sort, and if you inadvertently include anything that is not recyclable, it will be left in the bin, so you'll know for next time. Also, help prevent litter by placing small, lightweight items in paper sacks and weigh them down with heavier items.

NEIGHBORS TURNOUT FOR NATIONAL NIGHT OUT

National Night Out was held Tuesday, August 7th, at the corner of 109th & St. Charles. This year we celebrated with a cookout—hot dogs & chips, with ice cream for dessert. Neighbors came from all corners of the neighborhood and enjoyed greeting old friends and meeting new neighbors. In addition to the Bluff Creek residents who came, we were joined by several police officers and fireman, and by Georgie Rasco, Executive Director of Neighborhood Alliance, Inc. Children and adults alike had fun seeing the fire trucks up close. We are already looking forward to next year.

But before jumping to Christmas,
let's not forget to be thankful for all
our blessings.

HAPPY THANKSGIVING

TRICK OR TREAT

The official night for Trick or Treat
activities in Oklahoma City is
WEDNESDAY, OCTOBER 31ST

Please help keep the little ghosts and goblins,
princesses and superheroes safe by keeping your
outside lights turned on.

Hi neighbor,

Just think only two and a half months left before
Christmas...were does the time go? If you're like
me, you have a host of things to do, get the house
and yard ready for winter, remove the fall decora-
tions, take out the Christmas decorations and wait
for just the perfect day in November to put up the
Christmas lights. It's a never ending battle. Let me
also remind us that Christmas is a time for family
and friends. For spending time with those you love
and who love you. So as you do the shopping and
wrapping and cooking and cleaning and all the stuff
we do, don't forget, it's all for them, the joy they get
when they open a present, see the lights on a
Christmas tree and the smiles and laughter...
Nevertheless, through it all, stop, take a minute, look
up, and say, Thanks.

I know it's early to wish you all a Merry Christmas
but it's never to late to ask God to Bless us one and
all...Andy

Speaking of Christmas, Bluff Creek will once again be
having a decorating contest in December. This year there
will be prizes for the best door, best lights and best overall.
We will also have the annual sleigh rides which are always a
hit. More on these in November newsletter.

Crime Statistics are out for September 2007. There were 5
burglaries and 1 robbery reported in Bluff Creek last month.
Please be sure to keep doors and windows locked, your
garage door down, and porch light on. Also be aware of
those around you and report any suspicious activity.
