

*Thanks to building 130 for working together in making our Highline Meadows Community a nicer place to live. During the last month Building 130 has done the following:*

- 1) TRIM South side parking lot and remove dense brush.*
- 2) Patch Seven Bad Pavement Potholes and flattened-Patch and board provided by TMMC.*
- 3) Remove all BBQ's from balconies due to fire safety risks.*
- 4) Clean Bay Windows on West side*
- 5) Clean and Scrub and Wash Front walk sidewalks including mats.*
- 6) Repair garden wall and paint at Intersection*
- 7) Paint all "Reserved" parking blocks RED-Approved Safety colors-Paint purchased by Neighbors*
- 8) In Process of Painting all "Visitor" parking blocks YELLOW-Approved Safety colors-Paint purchased by Neighbors*
- 9) Paint Parking lines using a professional machine-Paint supplied by Neighbors.*
- 10) Remove "Weeds" growing out of the pavement.*

*11) Maintenance of Bike Trail/Hiking Trail at west end of parking lot to the Highline Canal.*

*12) Replace Dead 9vdc batteries in Smoke Detectors on Third Floor.*

*13) Replaced 3 Burnt out Bulbs in Front of Building 130 (60 watt 2X) Bulbs purchased by Neighbors.*

*14) Clean wood front entry door and Finish by oiling.*

*15) Paint Garage #486 to accepted beauty complimenting the Community of Townhomes: Two gallons of paint and 10 tubes of caulk paid for by Neighbors*
