Ripped down Petition Box

Garbage Dump Week 3- Unfinished

Board of Directors never asked Broadridge Ramparts to paint the wall at the South side entrance

Graffiti on Clubhouse wall for weeks

A little Paint could make the Garages Look Ten Times Better

Garbage Dump that could be painted in Two Hours is never done and allowed to look like "Crap" Repairs are never protected by a little paint and allowed to wear

**Highline Meadows Sign was falling down
-This was temporary fixed by the Highline
Fellows by adding supports and spot
painting-South Entrance**

Typical Garage wear that could be fixed with caulk and paint

Garages on North side of Complex appear that they are ready to fall down

Garages on North side of Complex appear that they have never been painted or maintained ever

Typical Repair Work done around complex and left UNFINISHED

Garbage dump on North side still does not have roof and is being affected by the weather
