Season's Greetings:

We extend our best wishes to everyone for the Holiday Season. We will hold our fall meeting on Monday Dec 3rd at 7:00pm at the Aldersgate Church. If you have not sent your 2007 dues, please send them in today, or bring them to the meeting. We hope you enjoyed the Easter, Summer and Halloween parties. We look forward to hosting them again in the New Year. Thanks for your support. We hope to see you at the meeting

Community Reminders:

It's Snow Season: What should you do to help the community?

We remind you to remove vehicles from the street during periods of expected snow fall. We have a new snow plow contractor who will be making an effort to plow our streets better than in years past. However, they are always challenged by neighbors who leave vehicles parked on the street. Please feel free to remind your neighbor if they forget to park off street during a snow storm. Thank you for your help.

Code Enforcement: Is your property up to the code?

The community is making efforts to deal with some of the major code violations in the neighborhood. But it's only fair that we look at our own property when we ask the County to review the violations of others. Do you have out of registration cars parked in your drive or yard, construction debris, trash or other code violations? If you do, please make every effort to bring your property up to code. Thank you.

Development at 202 & Namanns Road: What are the plans?

Development has been proposed for the southwest corner of the 202 & Namanns Road intersection. We've been working with elected officials & CCOBH (Council of Civic Organizations of Brandywine Hundred) to promote alternative ideas for development of the site. Our elected officials will address this topic.

What else have your civic leaders been up to?

We have been working on: Anti-Graffiti along 202 & in Brandywine Hundred, land use and other public policy issues, participation on the Brandywine School District School Consolidation Committee, and many other matters.

Monday - December 3rd - 7:00pm - at the Aldersgate Church

Your participation is important. We hope to see you at the meeting. Thank you for your support.
