Discussion of the HOA annual meeting and budget summary was held. Items of interest were:

- Park security - Will there be street lights around the park as it is further developed? Suggestion of bollard type lights in the park along the trail.
- Barbeque units in the park. There was some concern about who would clean up the units. Would residents?
- Tables in the park.
- Trash on empty lots – Kurt will be following up
- Pool use will be by a list of valid addresses
- Bulletin boards on the mailboxes to eliminate the ratty looking notices posted there. Who will hold key if under glass type units?

Motion was made to ask PCMS/Anthology to determine the price of the park amenities already planned out by the ad hoc committee and lighting in the park, if not part of the development plan. Motion carried,
