## Prayer for October

*John Whittredge Hill, chaplain*

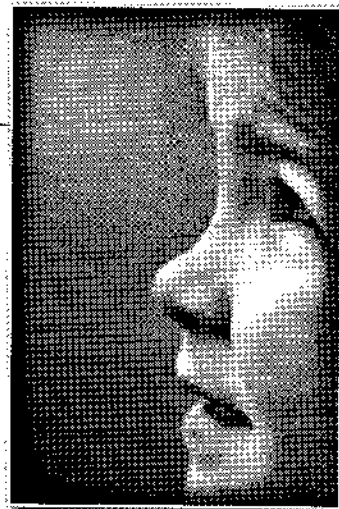

Gracious and Merciful God we come to you this month for guidance in our political scene. It is never too early nor too late to see Your Holy Spirit's guidance for those men and women who lead our country.

Like us they are human beings always subject to temptation. This has been going on since the time of Adam and Eve.

We pray that all those elected will use all their energy for the good of our country and the world. They have a great challenge and cannot do it by themselves. They not only need our help but most urgently Yours!

Let us encourage them by the written word and by any means available to us. We too have to think of the whole and not just our selfish reasons.

May we always remember to pray with thanksgiving and praise to You for this great country. You have blessed us in so many ways that we too often take them for granted. Forgive our insensitivity. Amen.

## President's Message

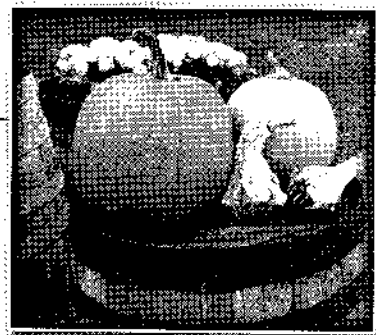

*Ed Mosakowski*

Welcome home to those returning to Americana Cove. We are half way through this year's hurricane season and thus far have been spared from facing any real weather threat. Thank you to our Manager and the group of volunteers who are prepared to alert our residents of any evacuation due to impending weather situations. Your time and efforts on our behalf are greatly appreciated.

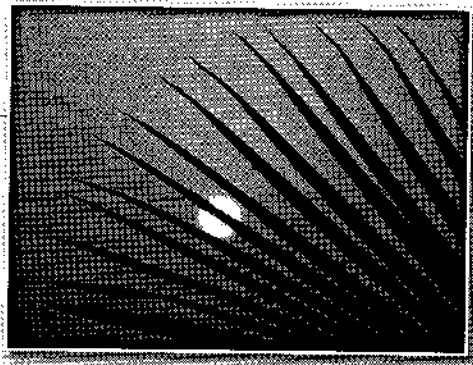

The Board and the office staff have been busy putting the final touches on our proposed budge for 2009. Your Treasurer, Don Delzell, is making preparations for presentation of the draft for Membership approval. I am confident you will be pleased with this "good news" budget.

I look forward to working with you as we wind up this current year and I hope you will have a most enjoyable season here at Americana Cove.

# Manager's Report

Dawn Simmons

## Front Gate

Now that the front gate is in full operation, we ask the cooperation of all residents to make application for the bar code. The Board of Directors recently passed that all bar codes will be free of charge. So no one has an excuse for not having one placed on his or her vehicle.

**Only residents are permitted to have bar codes.**

Also at this time we ask for residents who need "Guest Passes" to also come to the Business Office and pick them up. Gate Attendants tell me they still have people using outdated passes. Everyone needs a current one.

Also please call the gate when you know someone is coming to visit you and especially if someone is coming to stay or rent your home in your absence. This is most important. We are working harder to make entry through the visitor side even more secure. But we could use your help in attempting to do that.

## Trash

We ask for everyone's cooperation in setting out your trash especially on Friday for our men to pick up. We have to pay an employee to come in on weekends to dump raw garbage into the compactor.

We all question the need to empty trash on the weekend especially when it was just picked up on Friday. On Sunday, September 6th, someone went to the trash compactor after 9:30 a.m. and turned it on apparently to dump their garbage. What they forgot to do was turn it off. Luckily a resident going by heard the motor running and notified the gate guard who came and turned it off.

**PLEASE DO NOT TRY AND OPERATE THIS EQUIPMENT**, the motor could have burned out costing **YOU** thousands of dollars. We also have residents filling up the 40-yard roll off with a variety of things - sometimes a complete household of furniture. **WHY?** Please call the **Salvation Army or CASA**. There are always people less fortunate than us that could use some of this stuff. To date the trash bill averages out to over \$1,600 a week, \$300 of that being fee for the 40 yard dumpster.

Let us all do a better job of discarding useable items to charity or a non-profit organization and setting out trash for the maintenance men on Tuesday and Friday rather than dumping over the weekend.

If not, the time may not be too far off that I ask the Board to lock up the yard where the dumpsters are and use them only during regular business hours. This decision will rest on the trash problem being solved by you, the residents. Your cooperation would be greatly appreciated by all.

As you know, most of the time the cover of the Forecaster is a picture of people from another park. They are cute but they're not us! You can submit a picture to the publisher and hope to be chosen.

Or you can also **buy a cover** for distribution only in Americana Cove. The cost is **\$37.50**.

So, if you want to celebrate a special occasion, just act goofy or show off your club - contact me. The cover picture is due almost a month in advance of the next delivery.

*Politics is supposed to be the second oldest profession. I have come to realize that it bears a very close resemblance to the first.*

## Around the Cove

Nora Adell Andrews

Our season is beginning, and our friends are returning! The luncheons and meetings are gearing up! We have two dinners this month, the Oktoberfest and the Halloween Party thanks to **Jeanette Imbroglio** and **Betty Chase**, respectively. We also have the *Live Music in the Clubhouse* starting up, being held on two Tuesdays this month. **Claire Mosakowski** and **Bob Niblick** will be playing the music that you want to hear! Come and join them!

**Marie Mullendore** is interested in biking and would like to start a 'bike-group' to do some organized rides. If you are interested, give her a call at 521-4834.

Gail Jones had a unique Catnip Tea Party to welcome two beautiful kittens to her household.

Last month we enjoyed watching **Catherine** and **Peter Schiavone** dance the Anniversary Waltz at their party in the atrium. What a great party to celebrate their 60 years of marriage!

Last month we also had many grandchildren visiting. **Linda and Terry Campbell's** grandson said he would rather be here *than in Disney!* I think the wave-runner helped.

Dominoes and cards were there for us, too, and we participated in RAAC and MAROA meetings. We sure can keep busy during this "quiet time."

We haven't been quiet this past month either! We had the brown bag lunch and bingo, where our friend **Oliver Ferrier** celebrated his 80th Birthday.

## ACA News

Paul Line, President

Hello, Americana Cove . . . We are back! After a great and too busy summer (Sue keeps saying she wants to go to Florida to have a rest) we are returning to the Cove for a short visit in October. We will be back full time December 1st. We hope all Covers had a great summer and all the snowbirds have a safe return journey to your Paradise in the Sun.

Lots of new happenings in the Cove . . . the automatic gate on the entrance should make it easier for residents - no line ups onto 1st Street, new paving on some of the streets new main water valves which is definitely going to cut our consumption of water in half, Deb Brown Realty will now be our new Broker on record and new homes are still coming into the park.

The brown bag lunches went well as did the Memorial Service in May and the July 4th party. The ACA council meetings will start on September 30th at 10:00 a.m. and our first ACA luncheon of the season on October 1st. Olde Timers luncheons are starting once again on October 8th and 22nd. Octoberfest will be held on October 5th. Red Hats are having a nickel bingo on October 16th at 5:00 p.m. in the Atrium and Betty Chase is hosting her annual Halloween party on October 30th. Hope you all stay safe, healthy and happy!!!

## Boat Club

Walter Martin, President

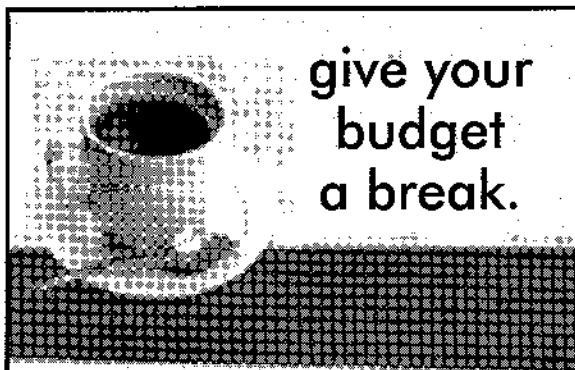

On Wednesday, October 22nd at 7:00 p.m., the Boat Club will have its **first meeting** for the fall season. A 50-minute movie from the *Planet Earth Series* called Ice Worlds will be shown in the Clubhouse.

Everyone is invited, even grandchildren. Delicious snacks will be served.

*William "Dummy" Hoy was a baseball star in the early 1900's. He was deaf. Because of Hoy's inability to hear the umpire's pitch call while he was batting, umpires around the league instituted the use of hand signals to signify balls and strikes. The practice has been a central part of baseball ever since.*

## Exercise, "a myth buster"

Sharon S. Miller

Dieting ads regularly include in small print, "and with exercise." Help conquer bone loss with weight bearing exercise. Take care of one's heart by exercising aerobically. Translated this means increasing more use of oxygen by running, walking, or just plain moving. Aging well includes "and exercises." *Use it or lose it* is not a myth. We have a myth busting class right here in the Cove!!

If convenience is wanted, we have it right here as well. **Land exercises** will begin again **Wednesday, October 1st in the Atrium** with classes available Monday, Wednesday and Friday from **8:15-9:00 a.m.** I will lead the class in warm-ups, aerobics, weight use, strengthening, and cool down exercises to help prepare ourselves for the return of our regular leader, Sally Anderson, who will be welcomed back in November.

Please call Sharon S. Miller at 527-8150 if you have any questions.

*It is noble to teach oneself; it is still nobler to teach others. -Mark Twain*

## Halloween Party

Kitchen Krow: Betty Chase

**Thursday, October 30th**, is our annual **Halloween Eve Party**. The fun begins at **6:00 p.m.** with a costume parade and judging by 6:30 p.m. Twenty-dollar prizes will be awarded for the "Funniest," "Ugliest," "Scariest," and "Best All-Around!"

A buffet meal will be served after the judging. Tickets go on sale preceding the Old Timer's Luncheon on Wednesday, October 8th and at Bingo. The cost is \$7.00 and sold by Nora Adell Andrews. Bring your own table service. Set-ups will be 10:00 a.m. on that day, October 30th.

**Costumes are optional.** Just come and enjoy the evening!

We thank all of you that attended the Fourth of July and the Eight/Eight/Eight Dinners. And a special 'thanks' to my helpers that make it all possible!

## Ping Pong Club

Marie Mullendore

In our newly furnished game room we have a ping-pong table and equipment, and there has been some interest shown in forming a 'club.' Therefore, Marie Mullendore, at 521-4834, is scheduling an **organizational and informational meeting** in the Atrium, on **Thursday, October 2, at 6:30 p.m.** If you are interested in playing or would like to learn to play, please attend.

It is hoped that there will be enough interest that we could pick a day and time that would accommodate our players. We are looking forward for your input. Any questions, please call Marie.

## Red Hat October Party

The Red Hatter's are off to a fast and different start this season! Each month different members of the group will be in charge and host that particular meeting. The hosts will choose whatever they would like to do. It should be entertaining as well as interesting with the many varied activities that will be offered.

In October the hosts will be Jackie Hanlon, Marie Sirois, and Cecile Lescarbeau. They will hold a night of **Nickel Bingo in the Atrium on October 16 at 5:00 p.m.** The three hosts have the evening planned and it should be a fun night! If you have any questions, please call one of them, but plan to attend for the 2008-2009 season kick-off.

## Shuffleboard News

Jo Waldron

Get Ready! Our season begins with the **first meeting on November 5th at 9:15 a.m. in the atrium.**

New players are welcome to attend this meeting and check us out. We can always use beginners on our Nova teams. Please call Pat Vargas, Captain of Nova, anytime to get details on this. If you've never held a cue, not to worry, we have an excellent instructor ready to get you started. Sil Oliveira, a very patient coach, has been shaping-up newcomers and Novas for several years now. His classes will also begin on the evening of November 5th, exact time will be in the November Forecaster.

*You can rest assured that your job will be done right with Tom White Painting. When we paint your home, you can be certain of the painting quality, personal attention and satisfaction you will receive. That's because we do what we say, and we are not satisfied until you are.*

This is a fun group, open to all, and a great equalizer, guys and gals, young and not so young, all have an equal chance of excelling, not to mention the fun and camaraderie of a group sharing a common goal.

See you on November 5th. In the meantime, enjoy this poem written by a newcomer that went on to attain Pro status. Guess who!!

## The Shuffler

By Guess Who

*She came on vacation in '72  
To a state that to her was very new.  
She had some friends in a park, MA  
And soon she had a game to play.  
Her friend said, "I'll show you how,"  
And she made to herself a solemn vow.  
"I'll learn this easy game in a day or two"  
But somehow it took longer, in fact, quite a few.  
They went to the courts and the game was on,  
He took the first shot and missed putting one on.  
He was way off, way off to the side  
So she thought "I can score if I try."  
She did, and wondered what he would do  
Do you know what? In the kitchen she flew!  
She shot for the kitchen but missed by a mile,  
And he just stood there with a great big smile.  
Needless to say, she didn't win that game,  
But had lots of fun all the same.  
She soon found out about the disc at the side,  
That it was a place for a real good hide.  
As time went on and years flew by,  
She learned a few things and made the discs fly.  
She practiced and won a game now and then,  
To play in a league; she didn't know when!  
Then one day she was asked to play in the league  
Her day was made and her joy complete  
So she continued to play the game,  
Year after year (have you guessed her name?)  
She's still shuffling around and uses a hide  
And also causes the discs to fly.  
But winning the game is not the end  
It's the meeting and making of lots of new friends.  
When you guess who, give her a hug and congratulate her.*

**Tabs:** Please save the tabs from your cans and donate them. Each tab counts towards helping a sick or dying child/family member at a Ronald McDonald House. There is a large jar, clearly marked, located in the Clubhouse.

**Labels:** The Crafty Crafter's Club collects and donates food labels to area schools for the purchase of much needed school supplies and equipment. There is a large "Campbell's Soup" container in the crafting corner area in the Clubhouse. Start saving your labels today and help a child.

**Brush Pick-up:** Please place your brush and/or tree trimmings at the side of the road **on Mondays only**. The exception to this is if there is a Monday holiday. Make sure your brush is in trash bags, plastic containers or bundled tightly for easy pick-up.

**Dumpster:** the large dumpster located on Mt. Piney Avenue is for **residents only**. It is **not** for contractors doing renovations or repairs on your home or property. Contractors must remove any materials from the community and dispose of it at their cost.

**Ice Machines:** The ice machine in the clubhouse is **not** for personal or visitor use. It is for community functions **only**. You are asked to please refrain from walking through the kitchen area for safety and sanitation reasons.
