

Hunters Horn

PRESIDENT'S MESSAGE

Dear Neighbors,

At our recent Annual Membership meeting I was elected President of the Hunters Chase Homeowners

Association. We were saddened to see our past president, Christine Murray, resign. She spent many years dedicating her services to help keep Hunters Chase a well maintained and safe neighborhood. With the assistance of a well staffed board of directors and you, our neighbors, I promise to do the same. You may start to notice some changes such as monthly postings of information on our marquee entrance sign. In addition, we will be sending out the Hunters Chase newsletter with more frequency. Please be sure to look for it in the mail. If you would like to attend a Board of Directors meeting, please contact the Management Company at (210) 523-1320 to make the arrangements. I'm looking forward to a productive, constructive and exciting year as your President. Your Board of Directors is committed to maintaining a safe and secure neighborhood while improving our property values. We hope to realize this goal with the active participation of our community members.

Sincerely,

Jerry Gerling

SAN ANTONIO POLICE DEPARTMENT

The central core of SAPD's Community Policing activities is the SAFFE (San Antonio Fear Free Environment) Unit. First established in 1994-95 with 60 officers and supervisors, then increased in 1996 with an additional 40 officers, the SAFFE Unit consists of officers who focus on **identifying, evaluating and resolving community crime problems with the cooperation and participation of community residents.** SAFFE officers are assigned to specific areas or neighborhoods within the city, and work closely with both residents and the district patrol officers also assigned to those areas. SAFFE officers establish and maintain day-to-day interaction with residents and businesses within their assigned beats, in order to prevent crimes before they happen. SAFFE officers also act as liaisons with other city agencies, work closely with schools and youth programs, coordinate graffiti-removal activities, and serve as resources to residents who wish to keep their neighborhoods safe.
