## West Wetumpka Yard Sale

West Wetumpka Community Yard Sale had a rough start with the weather that Saturday morning. There were several participants who fought off the rain and held their yard sale under their carports.

Despite the rain there were quite a few yard sale goers and most participants made over \$100. So spending a little time in the rain paid off for several of our participants who participated in the Community Yard Sale. Therefore, get your things together for our next yard sale approximately 6 months from now.

## Cleaning up West Wetumpka

West Wetumpka's 4th Clean-Up Day was successful as always. We helped one of our shut-in neighbors with cleaning up their yard. We also picked up trash along side the streets, discarded old mattresses and several other miscellaneous items.

And, out of the two dumpsters, we filled one to capacity. It goes to show after our 4 clean-up events, that West Wetumpka is looking better and keeping a cleaner image. Thanks to All who participated and to our fellow West Wetumpka residents who are keeping our side a little nicer and cleaner! We will be hosting another Clean-Up Day in 6 months.

Kendal Myers and several of his friends helped on Clean-Up Day despite it being his birthday.
