

Springside Homeowners Association

Spring 2007 Newsletter

Bring on the rain!

Hopefully relief from the drought will come soon but until then please make sure you are following the water restrictions for Cobb County and the City of Smyrna.

All watering must take place between 12 midnight and 10am. Odd numbered addresses can water on Tuesdays, Thursdays and Sundays. Even number addresses can water on Monday, Wednesday and Saturdays.

Although we can't water as much as we might like, this may be a good time to take care of any pesky weeds in your yard. Our neighbors recommend the following companies for weed control:

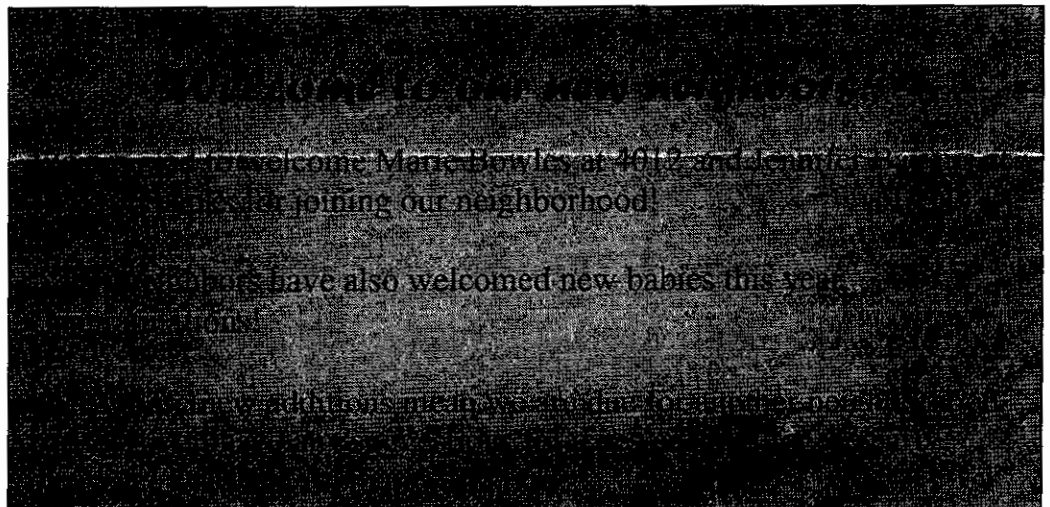

Tru Green -
1-800-892-8541
Scott's Lawn Care -
1-770-840-0114

Managing our neighborhood

Our Board of Directors used to contract with a management company to take care of yearly dues, monthly expenses and all legal matters. A few years ago, our Board ambitiously decided to take care of the management issues themselves and save the expense of the company. This was a great money saving idea but it has placed too much burden on too few of our neighbors. Our Board of Directors, especially Jan Rose, dedicate a great amount of time and energy to the upkeep of our neighborhood. Thanks Jan! Recently however, there seem to be fewer people who have the time or desire to help and that has led the few to decide that a management company is necessary again.

In the next month Jan Rose and Kara DeFilippi will be researching management companies. If you have any suggestions that may be helpful, please let one of them know. There will be a meeting in July to decide on a company. All neighbors are welcome to participate in this meeting.

Unfortunately this will most likely cause an increase in our yearly dues next year. Our Board of Directors will let you know of the change as soon as possible but please be prepared.

Adopt-a-Mile

Help keep our neighborhood beautiful - keep a lookout for the flyer advertising our next Adopt-a-Mile day!
