2008/2009 Dues

Board Member

One of the most difficult tasks the RGCA faces every year is calculating the amount of dues we should request. On last year's invoices we asked for resident feedback and comments. One of the most common comments we heard was that it wasn't fair for those who always pay to have to pay "extra" to compensate for those who don't support the civic association. We took those comments to heart and with some luck due to a mild winter last year we feel we are in a position to do something that is almost unheard today and lower the dues for the upcoming fiscal year to \$25 (last year was \$50).

We hope everyone understands that by decreasing the dues by 50% from last year's amount we are counting on greater participation. As everyone who lives in Delaware knows it is highly unlikely to have two consecutive winters with almost no measurable snow fall. Every time the snow plows are required to clear and sand our streets it costs the association approximately \$2,800. As you can imagine the RGCA snow removal budget can be decimated quickly by a few large snow storms. If the lower dues we are requesting do not produce the greater participation we are anticipating it is entirely possible that we will have to make some difficult decisions if the money runs out. One option will be to make an emergency dues request, the other option will be to not plow the streets for the remainder of the season.

We hope everyone can see that we have requested an amount that is fair to <u>all</u> residents. It would be difficult to find someone to shovel your own sidewalk and driveway for \$25 1X. We are hoping we can clear the streets in the community for \$25 for the ENTIRE season but it is going to require the participation of EVERYONE in our neighborhood. Please show your support for YOUR community by sending in your dues payment as soon as possible.

Safety Recommendations

There are several simple things that we can all do to make our homes and our community safer for everyone.

- 1. Make sure your car doors are locked. This sounds like such a simple thing but it is easy to be distracted and forget to lock up your vehicle. Don't allow your car to be an easy target.
- 2. Don't leave valuables in clear site in your vehicle. If you have to keep something of value in your car put it in the truck so someone isn't "tempted".
- 3. Keep an outside light on or install motion lights that activate whenever there is movement.
- 4. Watch out for your neighbors. No one knows the neighborhood better than the people that live in it. If you see something that doesn't look right contact the police. If you don't think its an emergency use the non-emergency number to report suspicious activity (302-573-2800)
- 5. Install and test your smoke detectors. Everyone should have smoke detectors in their home. Make sure you test them regularly and change the batteries when needed
- 6. Slow down in the neighborhood. Another no-brainer. The Police have been actively monitoring the speed in our community and issuing citations for violations.
- 7. Confirm the identity of the people at your door. Recent scams have shown how easy it is for people to pretend to be utility workers or others and gain entry to someone's home.
- 8. Don't "advertise" that your house is empty. Stop mail and paper deliveries while you are away. Invest in some timers for lights to keep the house looking occupied.
- 9. Lock your doors and windows. Most of us remember to lock the front door but it's easy to leave a window unlocked or open or to forget to secure a shed after working in the yard.
- 10. Never give out personal information. Another favorite of scam artists. Always ask yourself why this person needs the information they are asking and make sure you know who they are before you provide any personal information.
- 11. Shred personal documents before discarding them in the trash. Identity theft is a growing problem and a lot of personal information can be obtained by going through the trash people place on the curb.
- 12. Secure your wireless Internet connection. More and more people are installing WiFi networks so they can take advantage of their broadband service from anyone in their home. Unfortunately most people don't take the necessary precautions to ensure their private networks can't be accessed by people outside their homes.
