

RIDGE RUNNER

Issue 7

Winter 2008-2009

Bexar County Commissioner Tommy Adkisson, MRNA Pres. Barry Hunt

MRNA Vice Pres. Stan Thomas, Bexar County Commissioner Adkisson

President's Corner

We have so many things that we planning for 2009. For those who didn't attend, the November meeting, you missed out on a great meeting as we had Tommy Adkisson's Assistant Mario Llano to speak on many of the new things that are going on in our area.

I have been working with our county Commissioner, Tommy Adkisson about getting better lighting and more traffic lights in our area. These are things that are in the works for the future? Come on out to our January 13th, 2009 MRNA General Meeting and see what you can do to help make these things happen.

Miller's Ridge Neighborhood Association had our annual "Holiday Light Up Contest" this year. We had so many great Displays to vote on. I want to "Thank" all of the Street Captains and MRNA Board for a wonderful job they did of judging the contest this year. I added Street Captains to be judges, so all areas of Miller's Ridge would be represented. Congratulations to all of our winners!

Stanley Thomas and I attended Tommy Adkisson's annual Office Christmas Party this year as your Representatives from MRNA. We want him and his office to know where Miller's Ridge is in Bexar County and that we want them to be looking out for our best interest.

It has been my pleasure serving the Miler's Ridge Neighborhood this last year. I have been blessed, with family and many new friends. Please take time to count all of your many blessings and may all of you have a Blessed New Year!

Barry Hunt

CELLULAR ON PATROL

We have several members that have been patrolling mornings, afternoons and at different hours of the night. We do report anything that looks suspicious as we are the "Eyes and Ears" of the neighborhood.

We have noticed that many homes do not have their porch lights on at night. Please turn those lights on as they cost pennies a night and really add protection to your home. Turn your porch light on at night.....REMEMBER.....TOO PLAN!

Turn On Outside Porch Lights At Night

There has been several phone calls about loud voices and people screaming at children being heard outside the home. They have been instructed to call the Bexar County Sheriff's Department and report it. This noise is Disturbing the Peace in this neighborhood and could be a sign of domestic or child abuse.

There have been many phone calls about homes with 5 or 6 dogs living in a single home. In the COVENANTS, CONDITIONS & RESTRICTIONS of the Miller's Ridge Subdivision it states: 22. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that no more than two dogs, two cats and/or two other household pets may be kept provided that they are not kept, bred or maintained for commercial purposes. These COVENANTS, CONDITIONS & RESTRICTIONS were extended for 30 more years and are in force. *They are enforceable by Bexar County whether you own, lease or rent.*

There have been many phone calls about Pit Bull Dogs running loose in this neighborhood. They have been instructed to call Bexar County Animal Control at 210-207-6650.

If anyone sees someone with the intent to paint (GRAFFITI) or disfigure the MR Marquee or other property, please report to the Bexar County Sheriff's Department@ 210-335-6000. This is criminal activity and will be reported for investigation and prosecution. Bexar County does have a curfew of 11:00 pm for anyone 17 and under that is out without adult supervision.

Any one that wishes to volunteer to take the COP Team Leader position, please come and volunteer at the January MRNA General Meeting as we plan to have someone there from the Bexar County COPS. This is a program that we don't want our Neighborhood to be without.

Special "Thanks" to all that are patrolling and making our neighborhood a safer place to live.

SPECIAL NOTICE

Miller's Ridge subdivision is now in the E.T.J. of San Antonio, Texas. This means that someday we will be incorporated into the city of San Antonio. This also means that San Antonio Co-compliance does dictate to the residents of Miller's Ridge.

There have been many calls of complaints of Trash Cans, Bar-B-Q grills, Mops, Junk things of this nature being kept in front yards; they should be kept behind your fence and out of public view. MRNA has sent out letters in November and December. Your neighbors don't enjoy looking at your stuff, they can call co-compliance @210-335-6700 then they send out letters about removal. They also send out letters for high grass that needs mowing as it becomes a haven for snakes and rodents.

If you see a car that has an expired sticker or plate, or can't be driven and moved in 24 hours, it will be towed away, if not moved, that is the law. Call Bexar County Non-Emergency Number 210-335-6000
