WANA Member Betty Karnette Honored ...

Friends and colleagues of Wrigley resident **Betty Karnette** gathered to honor her for her years of service in the

California State Senate and Assembly on November 8th at Cal State Long Beach. Shown in the picture from left to right are WANA members Maria Norvell, Betty Karnette, James Johnson, Joan Greenwood and State Senator Alan Lowenthal. Proceeds from this event were donated to the Cal State Long Beach Foundation.

Long Beach Lesbian and Gay Pride ...

Two years ago, this group reached out a helping hand to Wrigley. Over the years, the volunteer rank on Parade night has dwindled. Since 2005, Parade-saavy women from LBLGP stepped in and took up the slack.

To top that off, WANA received a \$1,000 grant from this organization for Christmas Tree Lane. WANA salutes them for their generosity, friendship and commitment to the Spirit of Christmas on Daisy — love of community, goodwill and childhood fantasy.

Environmental Committee Report

by Joan Greenwood, Chair (Tel: 562-599-0812)

In October, Edie Pearl, Nancy Risch and I attended the Air Quality Congress at the South Coast Air Quality District in Diamond Bar. After a brief presentation, there was a tour of the laboratory and exhibit of clean air vehicles and fueling stations. Then, we had a chance to actually drive some of the alternate fuel cars. Pictured at right is Edie behind the wheel of a hydrogen fuel-cell SUV.

"It's just like driving a 1962 Corvair!"

Committee members also attended a Long Beach 2030 Strategic Plan Workshop. The session described how community input was used to develop focused planning areas. More community meetings will be scheduled beginning in January.

Paper for black & white printing and color copying for this issue of WANA NEWS & VIEWS was provided free of charge by the Neighborhood Resource Center.
