I am sure that by now everyone has heard about one of our neighbors being bitten by the rabid cat that came into her yard. This is a very serious incident. Everyone should be cautious of any and all animals that are housed outside or allowed to run unsupervised. Also, if you are a kindhearted soul and leave food out for strays, please be aware that when you do so, according to State of Delaware laws, you become the owner of that animal. If you are so inclined to feeding them, please take the animal in and care for it properly. You are not helping the animal or protecting your neighbors when you attract strays without housing them.

We are in the process of collecting dues for 2009; it is not too late to pay for 2008. Dues are \$15 annually and pay for the maintenance of the entrance islands, community activities and snow removal. This Newsletter is made possible by community-minded volunteers who deliver them; your board and all neighborhood committees are all run by volunteers. Everything is done in a manner to spend the dues in the best interest of the community and not in a wasteful manner. Therefore, your dues are necessary to maintain and improve our neighborhood. Please either mail in your dues [to the address listed below] or contact a board member to pay your dues. Ads are free in the Newsletter to all dues-paying members, and we do everything we can to use dues-paying members to service the neighborhood. If there are no current dues paying members in the community to service the community, then we will be forced to find assistance outside of the community.
