Lets Be Proud of Our Community

Banks Lake Pointe is a beautiful community, so lets all make sure we comply with our restrictive covenants.

- All Trash Receptacles must be kept out of plain sight except on trash day
- Pets must be leashed at all times except when kept on the owners lot

*** (To report loose animals, contact: Lanier County Animal Control, officer John Westberry 251-2060, after 11pm call 242-8393 24/7) ***

- Basketball goals and/or exercise equipment are prohibited in the front yard
- All Recreational vehicles, trailers, etc, must be stored in an enclosed area, out of plane sight

Our community Center is a great place for the families in our neighborhood to enjoy the swimming pool, clubhouse and playground area, unfortunately, these areas have not been taken care of. Personal property is being left in the clubhouse, and items belonging to our community are getting damaged. The cost of fixing or replacing these things comes out of our dues, and that's less equity we have to update and maintain our wonderful community. We need everyone's help in keeping this area a place we can be proud of. After using the facilities, please do your part and pick up your trash. Lets keep this area clean for our children and a fun place to enjoy with our family and friends.
