## From the President...

•Well, lets us all not forget that your dues that are paid to become a member of the neighborhood association helps us produce the Schnitzelburg Newsletter. Without your support, the newsletter cannot be printed, so PLEASE JOIN!! (see back page for rates and signup info). Businesses are welcome as well and will be featured each month in the Schnitzelburg Business Listing!

•If you had a complaint with the police, councilman, or neighborhood and missed our last general meeting, you missed a chance to be heard. President Metro Councilman Jim King along with his assistant, Rob Holtzmann, were at our last meeting discussing the ground breaking for our park this year as well as airport concerns of noise. Jim and Rob were present to answer any questions that you may have had, in any area. As always, Rob was taking notes from concerned residents to help them out. Major Steve Green of Div. # 4, our District and Resource Officers, Shane Justis and Dean Spurgeon were also on hand to answer questions. Major Green discussed the minor problems that our area has and the areas that his division are working on to make them better. Lisa F. Grey of the Dept. Of Neighborhoods was on hand to discuss upcoming events in our city and to encourage people to attend the Mayor's Night Out events. Gail Linville, President Of St. Joe's area, and Mary Rose Evens attended and discussed the re-routing of the air strip at Lou. Int. Airport that causes so much noise over our neighborhood.

## From the Vice President...

•Now is the time for us to start thinking about spring and cleaning up old man winter's mess. There are still leaves from last fall, tree limbs from the storms and trash people rather put on the street than in a garage can. On March 19, 2008, Brightside will be having their yearly neighborhood clean up. They will be furnishing tools and gloves to help you in cleaning up the neighborhood. Contact Jo Ann Teske at 634-3932 if you would like to help.

•It's bad enough that people are letting dogs poop in others yard, now we got a mad pooper, pooping on the sidewalks. What's going on? What happened to the good old German cleanliness that once was our neighborhood? I know you go to the store for food and other things and they give you a plastic bag...use it please!
