Susan Halpert writes:

Our upstairs hall/bonus room was in need of a makeover and felt I needed the help of an interior designer who could help me interject color, interest and functionality. I called on our neighbor, Lisa Todd, for her design expertise and I'm so glad I did. Not only is Lisa a good listener, patient and conscientious about her work, she made terrific suggestions about color, use of space and furniture—things I wouldn't have thought of. She is also very affordable, understood our budget constraints and tried to work with pieces that I already had. I strongly suggest you contact Lisa for a design consultation, whether you are contemplating a large or a small job. She can be reached at 770-587-5592 or toddarchlt@earthlink.net

I used a great carpet cleaner: Oxi Fresh, 678-202-5888. Prompt, efficient service, great prices and you can find discounts online at www.oxifresh.com
They cleaned the toughest pet stains from my carpets; I'll use them again!
