HPNA members and neighbors:

It's May and Our **Beautification Committee** is out and about trying to determine who has the best kept yard. As always, the winner will receive gift card in recognition of their outstanding achievement. New this year though is we have signs for both the winner and the runner-up yard of the month. Also new this year is our members may suggest addresses for consideration as well, *try not to suggest you own though, Ha Ha!* While only a valid member will be considered for winner, the next best may go to a non-member household, who may have actually won had they been a member. So let's all work to get those who are not a member to join and be a member so that they might win in the future.

While I'm on the subject, membership renewal month is June. Early renewal is appreciated will be accepted at this time, so call our Membership Chairperson or come to next possible meeting to join or renew your membership. Remember that membership runs from July 1st through June 30th yearly, and one must be a current member in order to vote or run for office.

In June, we will appoint the members for both **Nominating** committee and **Auditing** committee in order to close out the current year. Members are needed to fill any position on the Executive Board. Anyone considering a Board position should not hesitate to step forward.

In July, we will have our Annual Meeting, and election of officers for the next year.
