Don't let your Guard down

Our tri neighborhoods have made a commitment to watch out for all vandalism, theft, drug use or any other criminal mischief in our area.

As the days and nights heat up so will the crime. Now is not the time to let our guard down. Remember you are the eyes and ears of the neighborhood.

What happened in April

* Sadly a Beagle-Chihuahua puppy mix was stolen out of its carrier from someone's garage shortly after being brought home. The puppy was to be given as a gift for Easter.

The neighbor left the puppy in the garage in its cage after bringing it home. The neighbor went into the house and shortly there after heard the dog yelp. When she immediately returned to check on the pup in the garage, the cage door was open and the pup was gone.

* A vehicle was spotted around 2:00 in the morning at StoneBluff and WoodRock. When a resident shined a flash light at the car the driver slid down in the seat. The vehicle sped off when the outside light on the house was turned on.

* CDs were stolen from a vehicle.

Everyone should make sure their cars are locked and please e-mail your street captain as soon as possible and let them know of anything out of the ordinary. They in turn will e-mail all the other street captains to get the word out. You never know, the vehicle that sped away when the lights were turned on may have just moved to another street.

The phone number to report a crime or mischief is 575-2111. This phone number will put you directly through to the dispatch in our district.

Lets all work together to keep our homes safe and free of crime, be the eyes and ears of the neighborhood.

Poop Scoop

Recently several complaints have risen of a neighbor letting their dog relieve itself on other neighbor's lawns while watching from their front door step. Many homeowners put a lot of time and effort in keeping their lawns clean and well manicured and don't want to step in other dog's poo. Everyone should be respectful of other people property and keep their dog in their own yard. It's all about dog owner etiquette.

Not to say every dog that relives itself in someone's yard is done intentionally. Owner and pet may be out for a walk and those of us who have dogs know they can be quite unpredictable and may drop poo at any time. But good dog owner etiquette would be to pick it up.

So be considerate of everyone, next time you walk your pet, grab a plastic Kroger bag as you're headed out the door. You never know when a load of poo will land on the sidewalk or your neighbor's lawn.
