Miscellaneous Neighborhood News

Way to go Salgado (5408 N. Indian) and Matsuoka (5321 N. Agnes) families for the wonderful improvements you are making to your homes!

It is a honor to have the Sayles family in the neighborhood. Their boys have provided our country with the ability to live with freedoms we all so much cherish through their military service. Stg. Patrick Sayles just received an Army commendation and

finished recruiter training. And Coast Guard Boat-swain Mate 2nd Class E5 Ryan Sayles just returned home. During his service he specialized in domestic anti-terrorism operations with the Coast Guard. Please be sure welcome both the boys home and thank them for their service.

Congratulations to Alan Brady for joining the Greenhaven Board and for serving as the Streets and Traffic committee chair. Be-

cause of your efforts and other board members our roads are in great shape. The hole on 53rd street and Walrond and on 54th street east of Agnes are finally repaired.

Neighborhood membership is up to 68 homes out 100.

Be sure to talk to Marlie Murphy the next time you see her and ask her about her big trip to China!
