Neighborhood Garage Sale

Our annual neighborhood garage sale will be held Saturday, June 13th, so start sorting your stuff now!

There will be lists at the entrances to our neighborhood showing the homes that are participating in the sale; the list will also be published online on craigslist. If you would like to be included on the list, please call 453-6104 or email yvonneherrick@remax.net. Please leave the following information: your name, address and phone number; the dates that you will have the sale (Sat. only? Fri-Sun? etc.); and if you have specific items that you think will attract buyers' attention (example: baby/kids clothes, antiques, etc). Your phone number will not appear on the list; it's in case we have any questions.

In addition to the lists, we will be advertising the sale in several other locations.

If you have lots of great stuff to get rid of, but can't stand the thought of sitting around in the garage all day, we've got the answer for you! We'll be holding a multi-family garage sale at one home. Proceeds from sales at this location will go to the neighborhood association. Items for the sale can be dropped off starting on Wednesday, June 10th. To schedule a drop off, call 453-2407.

Do you need some help with some minor projects around the house?

Northland Neighborhoods, Inc. (NNI) will have high school aged kids who are able to help this summer. The kids will be arriving mid-June and will be in Kansas City for eight weeks. NNI has helped to administer this great program previously; it's called "Youth Works".

Previous projects they've worked on include exterior painting, yard work, and other small projects around the home.

For more information, please call Janet Shaffer at NNI (454-2000).

Bulky Items

Just a reminder that the city no longer picks up bulky items on a regular basis. You must call 816-513-1313 to schedule a pick up and items are only picked up the third Friday of each month with an appointment.

Please do not put items at the curb without an appointment. (If you don't want the items, your neighbors probably don't want to look at them either!)

Neighborhood Association President Receives Recognition

Dan Hemry, our current President, was recognized as a "Neighborhood Champion" at NNI's annual Town Hall meeting on April 22nd.

Dan Hemry has lived in the Chaumiere Neighborhood for just over ten years and is currently serving his second term as the association president. Dan has been a gift for the association . . . His ability to get along well with everyone is always appreciated, plus he's brought a number of new ideas to the table. Dan has come up with a couple of great fundraising ideas that have been carried out (+ others for future consideration) and he's been able to really impact the success of those events. In one of the fundraisers, he out-sold everyone by contributing 45% of the total sales! The Chaumiere Neighborhood Association has been blessed with good leadership in the past as well, but having Dan take the reins is a great reminder for why it's important to change the leadership in an organization. He has honored the traditions that have been successful in the past and is well on the way to establishing lots of new traditions.

In addition to coming up with new ideas for the community, Dan is always willing to participate in Chaumiere events: game night, Chaumiere Lake clean ups, dumpster events, annual food & clothing drives, newsletter carrier, leads board & neighborhood meetings, and attends

programs at NNI to hear about happenings in the city that may impact the Chaumiere neighborhood. He's also willing to help out individual residents; he's been known to do some odd jobs for seniors on occasion.

Dan was born and raised in Hamilton, Missouri. His parents still live in Hamilton on his grandparents' farm. Dan also has one brother, Mark.

Dan joined the Army when he was twenty-five. He served in Germany; Ft. Campbell, KY; Desert Shield; and Desert Storm. During his time in the military, he repaired helicopters. In each assignment, he was assigned to a specific helicopter; he would keep it in working order plus go out on the missions in the helicopter. He was thirty-two when he finished his time in the military.

In 1993, directly after leaving the military, Dan began working as a mechanic at Worlds of Fun where he still works today. Instead of a "chopper", his equipment that he cares for these days is the Mamba.

Speaking of Recognition . . .

Northland Neighborhoods, Inc. has also awarded four of our community members with "Volunteer of the month" awards within the last nine months; that says a lot about the involvement of Chaumiere residents!

Those awards went to Erin Kinghorn, Russ Gresham, Margaret Straub, & Yvonne Herrick.

Remember the Curfew!

School is out and the kids want to hang out . . . Just remember that Kansas City does have a curfew for those under 18 years old.

The law does not allow for "any minor under 18 years of age to (loiter, wander, stroll, or play) in or upon the public streets or any place unsupervised by an adult, without having the lawful authority to be at such a place between the hours of 11:00 p.m.-6:00 a.m. Sunday through Thursday and 12:00 a.m.-6:00 a.m. Friday through Saturday."

(Taken from the KC, MO Police Dept., Shoal Creek Patrol Division May 2009 newsletter, "The Creek Report".)

This means that kids need to be inside by 11:00 p.m. on Sunday through Thursday and by midnight on Friday and Saturday.

Trash Amnesty Week

There is no limit on number of trash bags you can put at the curb on Friday, July 10th. Take advantage of this opportunity that only comes twice a year . . . No tags needed!

Neighborhood Garage Sale

(continued from pg 1)

The multi-family sale will be held at 3502 NE Parvin Rd.

As we've done with the sales the previous three years, we will make arrangements for your unwanted, unsold sale items to be picked up after the garage sale by a local charity.

**PLEASE CONFIRM THAT YOUR
ADDRESS IS ON THE LIST OF
PARTICIPATING GARAGE SALES!!**

I am concerned that at least one message may have been wiped off my recorder before the information made it to the list of garage sales, so please confirm that I have your address noted below for the sale. If not, please call or email again to get added to the list. Thanks!

3019 NE 39th St.
4324 NE Arbor
3930 N Bales
4132 N Bellefontaine
4032 N Cleveland
3026 NE Parvin Rd.
2819 NE Russell Rd.
2938 NE Russell Rd.
3201 NE Russell Rd.

We usually get a flurry of people that sign up the last week, which has worked out fine in the past. I can add additional addresses to the list until a couple days before the sale when the flyers are printed.

Please note, there is no cost per resident to participate in the sale!
