## First Meeting Held!

On Saturday May 20 a preliminary meeting for a neighborhood association was held at the Lutheran Church on 19th Avenue and Glenrosa. I am glad to say that we had more than forty neighbors show up!

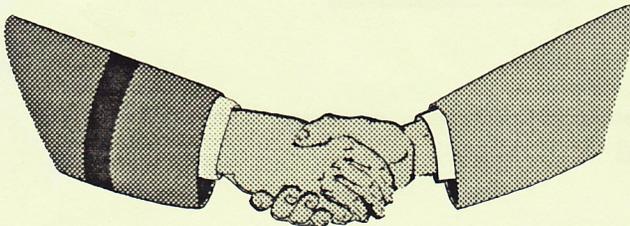

One thing is for sure, your neighbors are interested in making this neighborhood a safe and pleasant place to live. Some of the items discussed were:

- **Neighborhood Security:** The major concerns were vandalism, petty crime, and gang related activity.
- **Neighborhood Appearance:** There was a great deal of concern about the decline in the appearance of the neighborhood and how an association could work to better the situation.
- **Type of Association:** What type of association would we be, "barn building" or "policing". An overwhelming majority of your neighbors agreed that this association should promote working together in a positive manner.

Please come to the next meeting and express your feelings and suggestions about the neighborhood.

If you have any questions or require any additional information about the association please call Bryan Vincent @ 234-1457.

Thanks to everyone who attended this initial meeting. We look forward to seeing many more of our neighbors at the next meeting on Saturday June 24th.

## Next Meeting!

The next meeting will be held at the Clarendon School Cafeteria on June 24th at 9:00am (please see map on other side).

Please encourage your neighbors to attend. Let them know how you feel about your neighborhood. If you do not know your neighbors this would be an excellent time to go over and introduce yourself.

## Can you Help?

There are many things that need attention to make this effort successful. If you have any time you can volunteer, even if you only have one hour a month, it would be greatly appreciated.

Do you have a special talent you can donate that could help out the association? An attorney said she would help us with any legal matters; a person volunteered her artistic son to paint signs for us.

Once again, thanks to all those who attended. See you at the next meeting.

## Map to Meeting

Below is a map to the Association Meeting which will be held on June 24th at the Encanto School Cafeteria. If you have any questions please give Bryan Vincent a call @ 234-1457. There will be volunteers outside the school to direct you to the cafeteria. Look forward to seeing you there!
