

COMMUNICATOR

DECEMBER 1998

Twas the night before Christmas, when all through the house not a creature was stirring, not even a mouse.

The stockings were hung by the chimney with care, in hopes that St. Nicholas soon would be there.

The children were nestled all snug in their beds, while visions of sugar-plums danced in their heads.

And mama in her kerchief and I in my cap had just settled our brains for a long winter's nap, when out on the lawn there arose such a clatter, I sprang from my bed to see what was the matter. Away to the window I flew like a flash, tore open the shutters and threw up the sash.

The moon on the breast of the new fallen snow gave a luster of midday to objects below.

When what to my wondering eyes should appear, but a miniature sleigh and eight tiny reindeer, with a little old driver so lively and quick I knew in a moment it must be St. Nick.

More rapid than eagles his coursers they came and he whistled and shouted and called them by name, "Now, Dasher! now, Dancer! now, Prancer and Vixen! On, Comet! on, Cupid! on, Donder and Blitzen! To the top of the porch, to the top of the wall! Now dash away, dash away, dash away all!"

As dry leaves that before the wild hurricane fly, when they meet with an obstacle mount to the sky. So up to the house top the coursers they flew, with the sleigh full of toys, and St. Nicholas too.

And then in a twinkling I heard on the roof the prancing and pawing of each little hoof. As I drew in my head and was turning around, down the chimney St. Nicholas came with a bound.

He was dressed all in fur from his head to his foot and his clothes were all tarnished with ashes and soot.

A bundle of toys he had flung on his back and he looked like a peddler just opening his pack. His eyes how they twinkled! His dimples how merry! His cheeks were like roses; his nose like a cherry. His droll little mouth was drawn up like a bow and the beard on his chin was as white as the snow. The stump of a pipe he held tight in his teeth and the smoke it encircled his head like a wreath.

He had a broad face and a little round belly that shook when he laughed like a bowl full of jelly. He was chubby and plump; a right jolly old elf, and I laughed when I saw him in spite of myself. A wink of his eye and a twist of his head soon gave me to know I had nothing to dread.

He spoke not a word, but went straight to his work and filled all the stockings, then turned with a jerk, and laying his finger aside of his nose, and giving a nod, up the chimney he rose.

He sprang to his sleigh, to his team gave a whistle, and away they all flew like the down of thistle. But I heard him exclaim, ere he drove out of sight,

"Happy Christmas to all, and to all a good night!"

The November 14, 1998 Board Meeting was held in the Library of the Martin Luther School on Glenrosa. (Location changed from Fireside Room due to scheduling conflict.)

Minutes from the October Board meeting were approved as written. Treasurer's reports for the General Fund and 301 Grant were approved as submitted.

Meth House Update - Defendants 3 and 4 have had their hearings postponed to January 1999.

Smith's Store Update - Smith's Food & Drug Centers' Price Rite Store has delayed their opening date to December 2, 1998.

"I'm Board" Buttons - A motion was made and approved to appropriate \$35.00 plus tax of General Funds to 20 buttons. These will be worn by Board members at all events and meetings to help neighbors identify us more readily.

New Neighbor Packets - We need more copies. Up to \$50.00 from the General Fund was approved to purchase paper, large envelopes and labels. Stacey Ayers will get copies printed.

Stationary - Secretary reported that we have envelopes but are out of stationary. Up to \$10.00 of the General Fund was approved to purchase a ream of paper to match the envelopes. We have the letterhead/logo on disc so will not pay to have the letterhead printed.

Neighborhood Restoration Project - Distribution of \$20,000.00 from fine levied on Adult Bookstore in the Westwood Neighborhood. Deadline

for submitting a project is 11/30/98. Westwood has two projects: \$10.000.00 toward building neighborhood park and \$10,000.00 for Project Wake Up (a program in conjunction with the Phoenix Police Department to "wake up" children to the dangers of drugs and gangs). This would be an addition to existing after school activities. We will write a letter to the Project committee supporting Westwood's request.

301 Block Grant 1999 - Jeannie and Betty reported back to the Board on a meeting that took place between the Bel Air 301 committee, Martin Luther School and American Evangelical Lutheran Church officials. We met to discuss the possibility of jointly applying for Block Watch funds in We will meet again in December along with the Campfire organization to discuss these ideas further.

GAIN/Fall Festival - Committee chairman Stacey Ayers reported that thank you letters have been sent to all who donated gifts for door prizes and the costume contest.

Curbside House Number Painting -Jeannie Garcia submitted a proposed schedule for the project. Weather permitting, the committee should be finished in March 1999. They will have painted approximately 315 house numbers when completed.

Volunteers - Bob McBane has jointed the 301-1999 committee. Board members Todd Brueshoff, Laurel Moran and Rick Jackal have signed up to organize the Spring election and general meeting.

The next meeting will be Saturday, December 12, 1998, 9:00am in the Fireside Room.

Meeting was adjourned at 10:15am.

The deadline for submitting articles for the January Newsletter is December 20

BUSINESS AS USUAL

By Anna Blevins

Your neighborhood (quasi) business, The Bel Air Neighborhood Association is having a difficult time doing business as usual. We need We do not have an STORAGE. office or a storage space to store all of the supplies, equipment, etc. we have accumulated through the years. neighborhood "your" Presently possessions are being stored at Board Member's homes. This worked in the past, but we have accumulated more STUFF than we have room to store. We definitely need a neighborhood office, storage room, shed or even closet.

I am asking you to please help us find an inexpensive or free storage facility. It could be a room or a closet in a neighborhood business, a storage shed in your back yard, or a guest house that you are not using.

If we do not find space soon, we may no longer be able to store "leftovers" for future events. "Leftovers" we presently have are plates, utensils, cups, napkins, handouts, decorations, banners, signs, powdered drinks, paper and balloons. Other items we presently store are a sign-in book, photo album, copier, copier cabinet, file cabinet, weed eater, hedger, 3 sprayers, 8 tables, 2 scanners, cell phone, a-frame signs, barricades, T-shirts, etc.

We really need storage space! If you cannot help us, please try to find someone who can. If you are a neighborhood business or know a business owner who can help, please let us know. Call the hotline at 392-8338 and leave a message or call any Board Member. By storing YOUR NEIGHBORHOOD ASSOCIATION ITEMS we save you and the association money! Please help us do business as usual.

Positive

Good location
Balloons are eye-catching and
attractive

Food and music was excellent
How about Michael Alyn singing?
Perhaps alternating with the young
lady who sang this year?
Cake walk is always a winner
It was nice to see the police officers
and talk with them.

For all who attended it was a very pleasant, neighborly afternoon.

For Next Year

Shorter hours! 3:00 business meeting; 3:30 - 5:30 Festival. Finish all events in the daylight.

Schedule several events at the same time. This gives people a choice of what they wish to see or participate in and shortens the hours.

There is a need for events just for children. Events should be divided according to age.

Deliver a special flyer to the neighborhood several days before the event.

It is well worth the time and effort to continue the festival for another year or two, at least to see how the attendance holds up.

Connie's Corner Quips, Quotes & Questions

Too many people get their exercise by jumping to conclusions, running up bills, stretching the truth, bending over backward, lying down on the job, sidestepping their responsibility and pushing their luck.
