## NATIONAL NIGHT OUT – TUESDAY, AUGUST 4. A good night to get to know your neighbors!

**National Night Out** is a national event which is held annually for the purpose of blocking out crime. It was designed to heighten crime and drug prevention awareness, generate support for and participation in local anticrime efforts, strengthen neighborhood spirit and police community partnerships. The event sends a message to criminals letting them know that neighborhoods are organizing and fighting back.

This year the MMTACA event will be held on **Tuesday, August 4** at the home of **Roger and Ruby Hackett**, located at **1019 Meadowview Dr.** from **6:30 - 9:00 p.m.**

The meats, drinks and table items will be provided by the civic association. We ask each family to bring a covered dish of some nature; such as relishes, main dishes, salads, chips & dip, desserts or fruit.

Also, please **bring a chair** to sit on. This event will be a chance for you to visit your neighbors and meet some of our new neighbors who have moved into our neighborhood.

If you are not able to join us, please **show your support** by **locking your doors, turn on your outside lights** and **take a walk** through the neighborhood. Please make a special effort to become involved in this event. **HOPE TO SEE YOU ON TUESDAY, AUGUST 4 from 6:30 – 9:00 pm!**

We're so  Please accept our apology.

Sometimes something comes up on a speaker's schedule that they cannot present at a meeting as planned. That is what happened in April when Mo Dioun was scheduled to speak to MMTACA. The week before, he contacted us to say a conflict had come up with his schedule, and he could come at 5 pm, but not at the 7 pm meeting time. We decided that was during the dinner hour, but he could speak at our other meeting scheduled that month.

The newsletters had already been mailed. So we posted the new meeting date and time on the **MMTACA website** and had signs made and posted around the entrances to MMTACA. We apologize to those neighbors who did not see the notices that the meeting date had been moved. If you have access to a computer, please check the website frequently and email us at **mmtaca@yahoo.com** to be kept informed of new events and changes between newsletters. Thank you!

## COLUMBUS POLICE UNVEIL NEW INTERNET REPORTING SYSTEM

*All residents are encouraged to complete the **Columbus Police Community Survey** at [www.columbuspolice.org](http://www.columbuspolice.org) and submit it. It is anonymous, only takes a few minutes and our officers would appreciate your input. Thank you!*

The Columbus Division of Police announces the implementation of a new online reporting system. The online reporting system, known as COPLOGIC, is a fast and simple way for citizens to file police reports. COPLOGIC will allow citizens with Internet access to file reports anytime, anywhere, without having an officer present. All information is securely transferred to the servers through an encrypted channel. Once the report is approved it will be saved as an official report and citizens will receive a copy of their report in PDF format. The following types of reports can now be filed online:

- ◆ Telephone Harassment
- ◆ Identity Theft
- ◆ Lost Property
- ◆ Property Damage
- ◆ Theft (Involving an amount less than \$3,000)
- ◆ Theft from a Motor Vehicle
- ◆ Attempted Theft of a Motor Vehicle
- ◆ Vandalism

The new technology allows citizens to file a police report without the hassle of waiting for an officer to show up at their homes or businesses. It will also save the Division of Police hundreds of man-hours every month. COPLOGIC has been operational since March 2009 and has accepted well over 400 reports. For more information, or to make an online police report please visit [www.columbuspolice.org](http://www.columbuspolice.org).

***Officer David Wilson** is helping with our Precinct 2 until the City decides if they can hire a full time person for our area. Wilson is also helping with Precinct 5. He can be reached at **614-645-1405** or [dwilson@columbuspolice.org](mailto:dwilson@columbuspolice.org)*

## RUMPKE YARD WASTE AND TRASH CONTAINERS

Columbus encourages you to recycle yard-waste. Returning grass clippings to your yard and composting other yard waste can keep your lawn and garden thriving and beautiful.

The City has recently made changes to our procedures for yard-waste collection. A new subscription-based yard-waste collection service is available from Rumpke. Rumpke provides curbside yard waste collection services for City of Columbus residents on a subscription basis. The cost is \$49.50, paid in advance and non-refundable, for the 6-month season from mid-April to mid-October. The cost remains the same no matter when service is started. Residents may sign-up at any time. A second 6-month season will run from mid-October 2009 to mid-April 2010 for \$49.50.

This new policy created a great opportunity to connect with our neighbors. Five of us neighbors pay only \$10 each for 6 months and set our yard waste **up to 15 bags a week** outside one of our homes on **Friday mornings for pick up**. So get together with some residents to arrange for your grass and leaves to be picked up. Make some new friends and save a few dollars.

### How to sign-up:

- ♦ Call Rumpke at 1-888-786-7531. *Payment is due at time of sign-up.*
- ♦ Download sign-up form (see our website). Mail completed form along with payment to Rumpke.

**Reminder:** If you have not signed up for this service, please do **not** set yard waste bags out at the curb to sit all week. Residents want to see green grass and colorful flowers when driving down our streets, not the bags and trash containers at the curb. Thank you!

Thanks to all of you who recycle. You do a great job of getting your little baskets back off the curbs after pickup on **Fridays**.

The Trash collection day for our neighborhood is Ruby and is **Wednesday** until Labor Day. Thank you for bringing your trash can back away from the curb as soon as possible.

For **bulk pick up**, you must call 311. They will tell you what day to set out your items. Thank you for waiting until that time.

## DO NOT BURN YARD WASTE

We have received calls about burning yard waste in the yards. Burning yard waste sends millions of spores aloft, causes breathing problems for individuals and it is prohibited by local ordinances.

## LET'S PROTECT ADENA BROOK

No person shall place or dispose of in any manner any garbage, waste, peelings of vegetables or fruits, rubbish, ashes, cans, bottles, wire, paper, cartons, boxes, parts of automobiles, wagons, furniture, glass, oil or anything else of an unsightly or unsanitary nature on any state owned, controlled, or administered land, or in any ditch, stream, river, lake, pond, or any other watercourse, except those waters which do not combine or effect a junction with natural surface or underground waters, or upon the bank thereof where the same is liable to be washed into the water either by ordinary flow or floods.

The punishment for any of these violations could result in a court hearing, fines, or community service. These are considered a misdemeanor of the 4<sup>th</sup> degree.

If you see someone disobeying any of these infractions, please inform the person(s). If this doesn't work, please **call 311 or Anthony Fannin**, Solid Waste Inspector, at **645-7051** or **645-5466**.

## MMTACA FOOD DRIVES

We are proud to say that during our **2009 Annual Summer Food Drive**, our MMTACA community collected **255 pounds of food and \$100 donation** which was delivered to the Mid Ohio Food Bank! That means we provided approximately **510 meals** to help families in need! The **Mid Ohio Food Bank** stocks over 400 pantries in the Central Ohio area. A lot of lives will be touched by the generosity of those who volunteered their time and by those who donated food. Thank you for your participation to help make this event so successful.

Check the webpage or the next newsletter about our **2009 Holiday Food Drive**. We will be collecting donations during the fall months for distribution in November and December. Thank you!

## PREVENTING WEST NILE VIRUS

It is not unexpected to see West Nile virus in mosquitoes within our community, it has been present for many years. This is a good reminder for residents to take precautionary steps to protect themselves and their families.

- ♦ **Wear insect repellant containing DEET (follow package directions)**
- ♦ **Limit outdoor activity at dusk and dawn when mosquitoes are most active**
- ♦ **Eliminate all standing water around your home (mosquitoes breed in water and it doesn't take much)**

The Franklin County Board of Health actively responds to complaints from residents. For more information on mosquitoes and the West Nile virus, visit [www.franklincountyohio.gov](http://www.franklincountyohio.gov). You can also call (614) 462-BITE (2483) to report problem areas in your community. Residents of Columbus should call 311.

### THEFTS IN MAIZE MORSE?

I feel so safe to live in this neighborhood and feel so proud when I receive the weekly email from [www.crimereports.com](http://www.crimereports.com) that there was no or little crime in MMTACA.

Then I was surprised when I heard of several petty thefts in our neighborhood. A senior citizen on Glenmawr Ave. reported that her trash can was missing! (our city liaison has helped her) Then I saw a sign on several lamp posts that a gnome had been abducted from a beautiful garden on Marland and Wetmore. One morning I placed my old telephones in a paper bag and set it in the middle of my driveway while going for my 7 am walk. When I came back to give it to my neighbor for their church garage sale, it was gone!

Come on neighbors, let's remember the Golden Rule. Post comments on the website.

**Please do not put signs or posters on the light posts. It is against Code, ruins the paint and will have to be removed.**

*As the President's advisor on Homeland Security, I am passing along the following message from Kathleen Sebelius, Secretary of Health and Human Services, Janet Napolitano, Secretary of Homeland Security, and Arne Duncan, Secretary of Education, who are leading the efforts to prepare our Nation for the coming flu season.*

Fellow Americans,

This spring we were confronted with an outbreak of a troubling **flu virus** called **2009-H1N1**. As the fall flu season approaches, it is critical that we reinvigorate our preparedness efforts across the country in order to mitigate the effects of this virus on our communities.

Today, we are holding an **H1N1 Influenza Preparedness Summit** in conjunction with the White House to discuss our Nation's preparedness. We are working together to monitor the spread of 2009-H1N1 and to prepare to initiate a **voluntary fall vaccination** program against the 2009-H1N1 flu virus, assuming we have a safe vaccine and do not see changes in the virus that would render the vaccine ineffective.

But the most critical steps to mitigating the effects of 2009-H1N1 won't take place in Washington — they will take place in your homes, schools and community businesses.

Taking precautions for this fall's flu season is a responsibility we all share. [Visit Flu.gov](http://Flu.gov) to make sure you are ready and learn how you can help promote public awareness.

We are making every effort to have a safe and effective vaccine available for distribution as soon as possible, but our current estimate is that it won't be ready before mid-October. This makes **individual prevention** even more critical. **Wash your hands regularly.** Take the necessary precautions to **stay healthy** and if you do get sick, stay home from work or school.

We are doing everything possible to prepare for the fall flu season and encourage all Americans to do the same — this is a **shared responsibility** and now is the time to prepare. [Please visit Flu.gov](http://Flu.gov) to learn what steps you can take to prepare and do your part to mitigate the effects of H1N1.

Take Care,  
Kathleen, Janet and Arne

**Receive a folder of information to help you prepare for the pandemic flu when you attend the MMTACA September 22 Neighborhood meeting.**

## 2009 BEAUTIFICATION WINNERS & PHOTOS

Congratulations and thank you to all the MMTACA residents who maintain beautiful gardens and yards throughout the year. Winners are chosen based on current MMTACA membership and not a winner in recent years, and WOW factor. All winners are given an individually created certificate and a Beautification Award sign is displayed in their front yard. First place winners were also presented a \$25 check.

You probably saw some blond walking her little blond dog taking photos of various homes. Diane did not mean to alarm anyone and apologizes for not asking your permission first. She was taking photos to make judging easier and for our newsletter and webpage. Photos of the other nominees (and honorable mentions) and all the beautiful gardens in our neighborhood can be viewed on the link on our MMTACA website. You can order prints of your garden or other items. If a photo of your garden is missing, want us to email the photo to you, or choose that your garden not be displayed on the Kodak Gallery, please email [mmtaca@yahoo.com](mailto:mmtaca@yahoo.com) or call 263-4661.

We encourage the winners to attend the next meeting to receive recognition. Photos taken of all gardens in Maize Morse can be viewed before the September 22 Neighborhood Meeting.

**Baby Farms:** We are sorry to say this year that those homes in Baby Farms which may have been declared winners were not current MMTACA members. Residents can join for only \$10 a year.

## CITY OF COLUMBUS COMPLAINTS AND FOLLOWUP

By Dick Graham, Our Community Liaison

1. Code inspected the high grass and weeds of a local resident and determined that there was no code violation. Apparently, the grass was not yet 12" high, which is the height at which a code violation occurs.
2. A local house was secured on 7/7/09 by the City. The owner and his attorneys are working with the City and the insurance company about the damages from the fire. .
3. The streetlights out at 4315 Sandy Lane and in front of 1004 N. Marland have been corrected.
4. An agreement has been reached with Marathon and Speedway to maintain the northeast corner of Maize and Morse. The lot is scheduled to be mowed and cleaned once a month.

Please let your MMTACA representatives know if you have any concerns or further questions or contact me at **645-7371**.

## CHILD BICYCLE HELMET LAW

The Columbus juvenile helmet ordinance, legislated last year, goes into enforcement effective July 2009. It requires **all under the age of 18** while riding a bicycle, skateboard, skates, rollerblade, &/or scooter, etc. within city of Columbus (on a street, sidewalk, trail, etc.) **to wear an approved helmet**.

Ord 0950-2008 adds the following language, which generally requires bicycles to be ridden "**as near to the right side of the roadway as practicable**". Violations of this section are an MM on the first offense, an M4 on the second offense within one year, and an M3 on the third offense within one year.

*No person the age of one (1) or older but under the age of eighteen (18) shall ride as a **passenger on a bicycle** or non-motorized vehicle equipped with a firmly attached passenger seat or astride a regular seat on a tandem bicycle, within the City without **wearing a protective helmet** on the person's head, with the chin strap fastened under the person's chin. Such helmet shall be fitted to the size of the operator's head and shall meet or exceed the standards set forth by the U.S. Consumer Product Safety Commission (CPSC).*

*No person, who is the **parent**, guardian, custodian, person having custody or control, or person in loco parentis of a child under eighteen (18) years of age shall authorize or knowingly **permit such child to violate any provision** of this division. Whoever violates division (B) of this section shall be fined no more than twenty-five dollars (\$25.00). **www.considerbiking.org***

**See the MMTACA website for this Code, for the flier below and other resources.**

## Need A Helmet?

Columbus children ages 1-17 can receive a free bicycle helmet at select Columbus Fire Stations beginning July 13th.

One helmet per child, while supplies last. Child must be present to be fitted for a helmet.

### NORTHLAND SWIM CLUB FAMILY NIGHTS

After 44 years the Northland Swim Club at 5006 Almont Drive is still a big "splash" with families in the North end. The 2009 swim season is in full swing with the hot weather bringing people to the pool for fun, relaxation and relief from the heat.

This year we will be having 3 **Family Nights from 6-10 P.M.** If you have never swam under the stars you don't want to miss out on this experience. This is always a special night for children of all ages. The DJ plays all our favorite songs for dancing and karaoke!

Our first family night is scheduled for **July 18** followed by **August 8** and **Sept 6** for the final one. Cost is \$10 for member families and \$20 for non member families or singles are \$3 and \$5 respectively. Food is available for purchase at \$5 for adults and \$3 for a child's plate.

Bring this article on **Family Night** and **receive 2 free cookies!**

Mark your calendars now for these fun filled activities you won't want to miss!!

### Northland Community Council Invites Community to Annual Picnic

The Northland Community Council is hosting their annual picnic on **Tuesday, August 11** at the Sycamore Shelter House located in the **Blendon Woods Metro Park**. The picnic will begin at 6 pm; followed by a short meeting at 7 pm. NCC will provide hamburgers, hot dogs, buns and drinks as well as all the essential plates and napkins. The council asks guests to provide a **side dish or dessert** big enough to share. Typically there are around 50 guests from various Northland communities in attendance. It's a great way to meet Northland neighbors, share concerns and ideas and to update you on the latest Northland news. This event is open to anyone and families are always welcome!! Please plan to attend this annual event. If you have any questions or would like to become more involved in the Northland Community Council, please call Roseann Hicks at 402-1968.
