

COMMUNITY CLEANUP PROGRAM

Did you know that there is a Community Cleanup Program in your Neighborhood?

75 tons of waste was collected from the unincorporated area neighborhoods during the 2009 Community Cleanup Campaign. With your help, we hope to increase that amount by 25% during the 2010 campaign.

✓ Why join in the community cleanup?

You will get to know your neighbors, meet new friends, know the movers and shakers in your neighborhood and take pride in your community.

✓ What are the benefits?

Beautification discourages litter, a clean beautiful area tends to stay that way, families and businesses move in and stay. The quality of life is just better. Sure beautification takes time and efforts; but it's worth it. Neighborhoods that are beautiful to look at are a beautiful place to live, work and visit. Additionally, well-maintained areas tend to have a lower crime rate.

✓ Youths:

Builds character and shows care for the community. High school students can earn community service credit hours for graduation.
