**SANTA CLAUS WILL NOT BE COMING TO
OUR NEIGHBORHOOD THIS YEAR - CITY OF
ROSEVILLE CAN'T AFFORD THE EXPENSE!**

As most of our residents know, the City of Roseville has been hit with major funding setbacks this year. As a result of the shortfalls in all agencies, they tell us, the City will not be able to provide its able escort service to the neighborhoods of Roseville this year for Santa Claus. Santa has been notified, and although he won't be making his normal tour throughout the city, he will be on hand on Christmas Eve. Santa doesn't forget. Somehow the City does seem to forget since last July, many of our citizens and businesses contributed to the cause and as a result of that effort, the 4th of July parade was held regardless of the fact that the City of Roseville decided that they couldn't afford the \$10,000 it costs to support the parade effort. It seems very odd since it can apparently afford to pay our outgoing City Manager a full complement of one year's salary and benefits. It also seems very odd that

the city cannot afford to support Santa Claus visiting the neighborhoods this year yet, as above, they can afford the over \$390,000.00 City Manager's severance package, and the over \$20,000.00 it is costing to hire a head-hunter firm to find a replacement for Mr. Robinson. We wonder why Mr. Robinson's contract did not provide for a "reasonable" severance package....

**ELECTION IN CRESTHAVEN
NEIGHBORHOOD**

Each year, Cresthaven Neighborhood Association holds an election of an executive board of officers to serve the neighborhood for the following year. Traditionally, this election is held in the month of October in compliance with our bylaws. Due to the non-availability of some of our officers this October, the election and 4th quarter general meeting of the association was postponed. Our election of officers will be held on Wednesday, November 04, 2009.

Please be there to support your candidates for the positions of President, Vice President, Secretary and Treasurer of Cresthaven Neighborhood Association.

CRESTHAVEN IS ON THE INTERNET

To most of us today, the internet has become a fabulous tool. It has enabled us to do so many wonderful things such as communicating instantaneously with friends, making inexpensive telephone calls, watching movies we downloaded, listening to music purchased on-line, and shopping for our favorite products as easily as clicking a mouse. E-Bay.com and overstock.com are but a few of the most active internet addresses for shopping. Cresthaven has now jumped into the foray with three locations where our neighbors can get information, event dates, links to other on-line neighborhoods and links to the City of Roseville. Our websites have been active now for over 2 weeks and we are daily updating them as quickly as we can with the latest in activities and information concerning our neighborhood and the City of Roseville. Together with R.C.O.N.A. and the City of Roseville, we now have literally instant access to the Cresthaven Neighborhood's on-line web pages. The addresses follow below:

Please make your contributions to Facebook, including your comments, suggestions, photos, video's, items of concern and items for discussion concerning the neighborhood. You are welcome!

RCONA WINS AGAIN!

As some of you know already, the Roseville Coalition of Neighborhood Associations, RCONA, has had a very fine and productive year. In addition to hosting a number of free Movies In The Park, RCONA has also been recognized by the City of Roseville in many ways. RCONA was the 1st Place winner in the 4th of

July Parade Float competition. Check out Cresthaven NA Facebook Page for pictures. Also, RCONA this year was the 1st Place Winner in the 16th Annual Chili Cookoff competition on Friday, October 2, held a Maidu Center. Pictures of the competition are also on Cresthaven's Facebook Page. See addresses (left side of this page for web site and Facebook URLs.

RCONA BOARD ELECTIONS

Each year in accordance with its By-Laws, the Roseville Coalition of Neighborhood Associations, R.C.O.N.A., holds its election of the Executive Board in the month of November. The newly-elected officers take their seats on the 1st of January to serve for the new year. This year's elections will be held at the City of Roseville's Corporation Yard, 2005 Hilltop Circle, Roseville. Public is invited to attend this important meeting.

CRESTHAVEN NEEDS YOUR HELP

Each year, since 1997, the Cresthaven Neighborhood Association and its volunteers, you, the citizen members of Cresthaven Neighborhood Association have been able to provide a very welcome and enjoyable neighborhood environment, a safe, clean, resourceful, and accessible neighborhood. It is totally through the gracious donations of you our neighbors that we can continue to participate in the quality of life here that we have been accustomed to enjoy. To that end, we wish to thank you, our neighbors for your generosity and good will, your participation in our events, from our barbecue and movie in June, to our National Night Out party in August and our very successful garage sale, also in August, of this year. This year, again, we ask that you open your hearts and pockets, and purses and donate whatever you can to our association. Even a nickel can go a long way to providing even a small bit of the candy we hide in Easter eggs at the park for our Easter Egg Hunt. Thank you for being part of Cresthaven Neighborhood Association.

WE MOURN THE PASSING OF A GOOD FRIEND

In memory of Al Armfield..for many years Al was a dedicated worker for our neighborhood association. Always available to pass newsletters; he and his wife Annie helped with our BBQ's in the park; he always attended and contributed to our association meetings; he will be missed; our condolences to his wife Annie and to his family.
