WELCOME

The purpose of this newsletter is to introduce everyone to our community.

As neighbors we are able to share ideas and information, including the joys of our holidays.

Often we are willing to help others throughout the year but even more so during this season of giving and loving.

The neighborly connection that our community newsletter provides can give us a tremendous opportunity to really get to know each other.

I sincerely hope that everyone has a wonderful holiday season and I invite everyone to become a real part of the Royal Gardens Community effort to create a safe and pleasant place to live and enjoy our families.

We need volunteers throughout apartment complex in order to watch out for the many buildings and block sections of our community.

If you are able to offer some of your time to this project for the safety of YOUR home and family then please contact our Watch Captain at the email or phone number listed above.

BLOCKWATCH

A recent meeting to create a community block watch was initiated several weeks ago. This is a volunteer group that will help to provide a bit more security to our apartment complex so we all can live within a safe environment.

JOKES

A store manager overheard a clerk saying to a customer, "No, ma'am, we haven't had any for some weeks now, and it doesn't look as if we'll be getting any soon."

Alarmed by what was being said, the manager rushed over to the customer who was walking out the door and said, "That isn't true, ma'am. Of course,

Then the manager drew the clerk aside and growled, "Never, never, never, never say we don't have something. If we don't have it, say we ordered it and it's on its way. Now, what was it she wanted?"

The clerk smiled and said ... "Rain."
