Please make checks payable to LEHHNA
Dues may be submitted at meetings or mailed to:
LEHHNA c/o Diane Martens
229 E. Amelia St.
Orlando, FL 32801-1303

FOUNTAIN MATCHING FUND SET UP

As residents of the Lake Eola Heights Historic District, we take pride in our neighborhood's heritage and relationship with our namesake Lake Eola Park as well as the amenities the park provides. It should be no surprise then that at the 4th quarter 2009 General Membership meeting a motion passed unanimously to set up a matching fund account to help with the restoration of the iconic fountain. LEHHNA will match up to \$500 to those wishing to donate to the account. 100% of all money collected in the LEHHNA Fountain Fund will be donated in our neighborhood's name. You can write a check at the General Membership meeting on February 11 or mail it directly to the credit union. No amount is too small!

We are already more than halfway to the \$500 mark and will proudly take donations above the match! The account is set up at CFE Federal Credit Union. Any questions can be directed to CFE representative Sandra at 407-896-9411 ext. 2237. You can mail your donation to the bank at PO Box 958471, Lake Mary, Florida 32795-8471. Make checks payable to LEHHNA Fountain Fund and in the memo line include "account # 87544-4."

Let's show Orlando what Lake Eola means to us!

MILLS 50 MAIN STREET BANNERS

By Jeff Thompson, RLA, ASLA

The Mills 50 Main Street District has been approved by the City of Orlando to receive a Mayor's Matching Grant to install banners within the district.

Mills 50 Main Street is a non-profit organization trying to enhance the businesses along Mills Avenue and SR 50 ... hence the name. Other Main Streets are creating a sense of identity and community. In other words, give the district an image and a brand to encourage people to shop and use its services and the businesses. But even more important is the sense of community that comes from working towards a common purpose.

The benefit to Lake Eola Heights is the increased opportunity to shop and use the services that we need in close proximity, thereby promoting a better quality of life and a more sustainable lifestyle.

Main Street programs are built on four pillars; promotion, organization, economic restructuring and design, which is where the banners come into play. Thanks to the efforts of the district and David Brotherton with B-Creative, a brand and image have been created -- "The intersection of Creativity and Culture" -- which celebrates this area's diversity and the creative niche business that are emerging.

The goals of any Main Street district are long term, and it takes creating that sense of community to reach them. To get involved with the district, come to the next LEHHNA meeting and sign up. There is also more information at the web site, Mills50.org.
