

“HOA's are of greater importance today because, if well managed, they can bring neighbors together, stop vandalism, and enforce maintenance standards on bank owned properties, resulting in higher property values for all!”

3 SIMPLE THINGS YOU CAN DO TODAY TO KEEP PROPERTY VALUES HIGH AND DUES LOW!!

- 1) Visit our NEW website, add yourself as a neighbor, and add a comment in the Discussions area:
www.neighborhoodlink.com/Rembrandt/home
(ahhh, it'll only take a minute and you might see someone you know; it's not FaceBook but it'll get the job done!)
- 2) Send an email to dsimonetti@equitymgt.com with ADD ME TO THE LIST in the subject so we can stop wasting our dues money on stupid mailings like this one!
(and to be Green, yea, that's it, to be GREEN, forget about the wasting our dues money stuff!)
- 3) Plan to come to the community park (while we still have one) Saturday 7/17 at 11:00am to hear about how we can stop vandalism with our new Neighborhood Watch program, and let us know if we should get Verizon FIOS available here! (Like every other neighborhood around us have!!)
