

Berg-Lahser Graffiti Paint Out

The Berg-Lahser Community Association Graffiti Paint Out Day was held on Saturday, June 12, 2010. Over 25 volunteers showed up to paint out graffiti on homes on Houghton from W. 7 Mile to Vassar. The group was so enthusiastic that they quickly finished Houghton and then went on to do the homes on Cooley as well as a couple on Redfern. But the enthusiasm didn't stop there! At the request of the sponsor, *No More Broken Windows*, volunteers went to W. 7 Mile and James Couzens (outside the Berg-Lahser boundaries) to remove graffiti from businesses and homes in that area. It was a great day that culminated with grilled hot dogs and good fellowship. Volunteers are committed to keeping our community "graffiti free." The day was a success!
