## Quotable Quotes On Aging

Age is an issue of mind over matter. If you don't mind, it doesn't matter. ~Mark Twain

Nobody grows old merely by living a number of years. We grow old by deserting our ideals. Years may wrinkle the skin, but to give up enthusiasm wrinkles the soul. ~Samuel Ullman

Middle age is when your age starts to show around your middle. ~Bob Hope

**Clean Up Time!** Please gather up all slightly used items (no bulky items, please) and bring to 6702 N. Campbell (Winnie Estep's residence) for our 2nd Annual Community Garage Sale. Please contact Winnie at 816-436-3271 to set up a time to deliver. This year, we are adding crafts to our sale.

All proceeds from the sale of these items will go to the Bolling Heights Community Link for future events and community needs. Any of your donated items that do not sell, may be picked up at 5:00 p.m. June 12th or will be given to a charity of our choice.

One Man's Trash is Another Man's Treasure! If you have no items to donate, come by and shop...You never know what treasure you may find!

Those of you who have been to our bake sales know it's the best! Stock up on the sweets!

A special THANK YOU to NNI (Northland Neighborhoods, Inc.) who prints our newsletter and is responsible for connecting people to resources in the community, and assisting neighborhoods, community leaders and businesses in the Northland. ([www.nni.org](http://www.nni.org)). One of the best ways to show our appreciation is through volunteering our time when NNI needs assistance at the many community events it sponsors throughout the year.

## **Help Your Neighbor!**

For many elderly residents in our community and those with physical limitations, it is sometimes a difficult task to maintain their properties or yards. Pride keeps many from asking for help. We all need to support our neighbors when we can—Offer to help without being asked, and for those who need help, don’t let pride get in the way of letting us know when you need assistance.

## **Strive to Thrive!**

Thanks to the 12 Bolling Heights residents who participated in Gladstone’s Strive to Thrive program. As of June 2nd, 56+ hours were walked by our team members! WAY TO GO!

## **New “Links” Needed**

A chain is only as strong as its weakest link! Please help our Bolling Heights Community Link strengthen its chain by joining our Board, Committees or as a “Leader” on your individual block. We can always use assistance on our special events, delivering newsletters and being the “communicator” for your neighbors.

Our community is drawing more and more young residents because of its affordability, convenience, safety and good schools. We have reflected on our past community action and are now looking forward to the future with your help! Please contact Julie Sherbo, President for more information 436-3070.
