A Caring Community in the Heart of Gladstone

August 2010 Issue

## HISTORIC LINDEN NEIGHBORHOOD SIGN TOPPER GRANT APPROVED!

We are pleased to announce that we have received a grant from the Gladstone Neighborhood Commission. With this grant and the monies already raised by our Neighbors, we have reached our goal of raising almost \$3000.

The Commission approved the sign toppers and we are awaiting City Council action on the placement of them on city right-of-way. When this happens, we can move forward with ordering the signs.

## NEIGHBORS HELPING NEIGHBORS

One of the main functions of Linden Neighborhood Connection is to seek ways to help our neighbors and to improve our neighborhood. While handing out the newsletters and visiting with many of you, we have come to realize we are an aging community. Many of our neighbors are reaching the point of not being physically able to maintain their homes and yards in the way they would like.

**REBUILDING TOGETHER** is a group started in the Liberty area, and now expanded into Gladstone. It is primarily a volunteer group dedicated to doing minor repairs inside and outside homes, with an emphasis on safety modifications. These include grab bars, wheelchair ramps, shower stools, handrails, improved lighting and more! Services are available for free or a fee, depending on eligibility. Applications can be obtained by calling 816/781-8985 or on the Internet at [www.rebuildingtogetherclaycounty.org](http://www.rebuildingtogetherclaycounty.org).

## CLAY COUNTY SENIOR SERVICES

Clay County Senior Services offers many programs to support our seniors. They provide transportation services, in-home services, home repair programs, health and wellness. One senior exercise class meets at Gladstone Community Center. They also have prevention programs and other programs. If interested in availability and cost, call them at 816/455-4800 or visit them on the Web at [www.claycoseniors.org](http://www.claycoseniors.org).
