Spring Fling Cookout

There's nothing like a good hot dog to get the summer started.. This was the best turnout for BCNA Spring Fling Cookout. It's great when neighbors can meet and get to know each other over a soda and food. Thanks to all who made it a successful event..We'll do more..enjoy the pics

Are you as annoyed as I am with all the roofer and political or any ad signs that are put out on the BCNA common grounds, well if you see 1 or 15 before I do, pick them up and discard them in the trash...

Yard of the Month

Kathy Osborne is the winner of
Yard of the Month for May

Mark and Cheryl Scheller

Joe & Jo Lou Tyson are winners for
yard of the month in July

Winners for August are
Jerry and Janet Fuchs

Congratulations to All

I would like to thank all those who have and WILL pay their dues. It is because of you we can have cookouts, update landscaping, hay rides, monetary contests and of course our monthly obligations for lawn care and utilities. I would ask those who have not yet sent in your dues, please consider doing so now. We want to continue updating our neighborhood in order that property values increase and those who visit homes for sale will want to move to Bluff Creek. Thank Youandy
