JNA Ready for National Night Out - Texas Style

Tuesday, October 5, marks the 27th annual National Night Out event.

Although it's held in August nationally, Texas celebrates in October because of the Texas heat.

The JNA Night Out Activities will be held at the Grace Presbyterian Church, 950 Donaldson @ Manor. This is where we have our monthly meetings.

If the weather is good, we'll be outside on the Eastern end of the church

facility (the side facing Senisa St.).

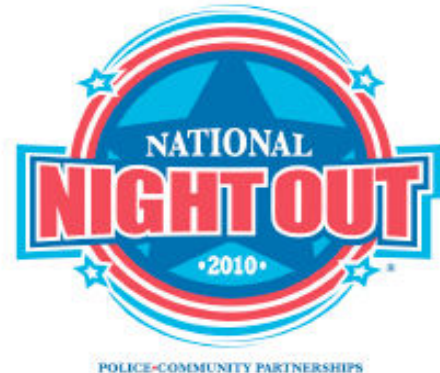

If the weather is bad, we'll be inside the fellowship hall where we hold our meetings.

The JNA will be providing pizza and drinks. Please bring a food dish of your choice to feed others.

This event gets underway around 6PM on the 5th. Plans are in the works for a face painter to be on hand, so bring the kiddos.

National Night Out, 'America's Night Out Against Crime,' was introduced by the Association in 1984.

The program was the brainchild of NATW Executive Director **Matt A. Peskin**.

Tidbits around the 'hood

Former District 7 City Councilman, and Mayor, present SAISD School Board member **Ed Garza** will speak at our October 11 meeting about the upcoming bond issue. See page 3 for other details.

Congratulations to

JNA member **Yanet Gómez** on winning the JNA Landscaping Contest. She takes home \$200 for her efforts.

Summer Social rides into the sunset

A few JNA members turned out for the September 18th "End of Summer" Social at Woodlawn Lake.

Councilman **Justin Rodriguez** and his family attended. Justin swore in the officers for the upcoming fiscal year.

Following the event, the decision was made

to end this event which has occurred over several years.

The board and executive officers will be planning another event to replace this one.

Thanks to everyone who, over the years, has helped make this event memorable.

SAISD Bond Vote in November

The San Antonio Independent School District (SAISD) Board of Trustees has called for a \$515 million bond election for November 2, 2010.

The funds would pay for renovations to schools across the district—where some buildings are more than 100 years old, and almost half are more than 50 years old.

The bond would address infrastructure repairs for a number of schools, as well as classroom additions and upgrades to meet current standards for instructional environments.

The bond would not have an effect on property taxes until 2012, when the average homeowner in SAISD would pay an additional \$1.58 a month. When bond payments peak in 2027, the average homeowner would see a tax impact of \$9.97 per month.

Early voting begins October 18th and runs through October 29th.
