***SunMarke Community Association***

Meeting was call to order **Aug 11, 2009**, at the Community Recreation Center, 18012 Keyser Creek Avenue by chair, Alan Fletcher.

**Attendees:**

Alan Fletcher, Ed Bennett, Karen Lockwood, Franceen Thompson, Sharon Schram

**SunMarke Board Reports:**

No comments from the HOA.

A question for the HOA; when the horseshoe pit was installed, were the poles also installed? If they were installed, one of the poles is missing. It is the committee's belief that residents were to supply the poles and horseshoes.

**Neighborhood Watch Program** – No report.

**Public Comment –**

Concerns were expressed that Pivotal Group may be selling the Anthology property, specifically the 18b subdivision. Alan will contact PCMS and see if they have any information.

**Old Business:**

Committee is awaiting word from the HOA to confirm the committee choice to fill a vacancy.

The community BBQ was a great event, even ran out of food for a period of time. Would like to do it again next year. Thanks to all involved.

**New Business:**

It was noted during the community BBQ that the outside electrical plugs for the clubhouse were not working. Also the pillar lighting on the east side is not working, could help with lighting at night for security. Alan will pass along to the HOA.

**Next Meeting:** September 8th, 6 PM at the recreation center.
