## **Hello Neighbors and Friends!**

I hope that everyone had a very special Holiday Season and it is with great pleasure that I would like to wish all our family, neighbors and friends a Very Happy and Generous 2011!

I hope we continue being a strong neighborhood and keep everyone posted on what is going on around our "neck of the woods". It is with all my heart that the New Year will bring all of us prosperity and that we continue to grow closer as a neighborhood.

With any New Year there is always change and as a person that embraces change it will be with out a doubt that we will see many in this coming year. Lets hope that in the spirit of Positive Change that we see our City grow economically, Our citizens grow closer and that our leaders are given the wisdom to bring us into a brighter future for ROLOH and all of Lake Worth this year!

Remember to be True to yourself and only good things can come of it.
