

ZANESVILLE CRIME STOPPERS WATCH

KEEPING A WATCHFUL EYE ON OUR COMMUNITY

ZCSW *Neighborhood News*

ZCSW Child Watch

The objective of the CWP is to watch over all our city's children to ensure that **present** or **past** child sex offenders are not offending our children.

Please register at
www.esorn.ag.state.oh.us/Secured/p21_2.aspx.
Once you register, the site will provide you with all the sex offenders within a mile radius of your home. It will also send you updates when a sex offender moves in or out of your neighborhood.

Note: Please do not harass or confront any sex offender. Allow the proper law enforcement to address the problem, unless it is an emergency, then call 911 immediately.

Web Cams...what do you think?

Cameras are currently used to gather information and monitor the behavior of known offenders in public places, like shoplifters in retail stores. Current technology has given everyone the ability to utilize cameras to watch over and protect their homes and property. The use of cameras will not only reduce crime, but it can also reduce the fear of crime and aid in police investigations.

Tell us what you think about using web cams to help patrol your neighborhood by emailing your thoughts to zcswsecretary@columbus.rr.com.
