N.E.W. NEIGHBORHOOD ASSOCIATION RECEIVES GRANT MONEY!

A message from N.E.W. President Cynthia Vignos...

I am pleased to announce that the N.E.W. Neighborhood Association has been awarded a grant for \$2654.00! This money was made available through the Neighborhood Partnership Grant Program which receives funding from CHASE, the City of Canton, The Repository and the Stark Community Foundation.

This grant application was written for the development and beautification of the vacant lot on Cromer Avenue NW into a Canton Police Officers Memorial Park, to honor those safety officers who have lost their lives while protecting our citizens.

The proposal includes installation of benches, trash cans, landscaping and a graveled parking area. This project will improve the SARTA bus-stop area and provide a recreation area within our neighborhood's boundaries. The grant money will also be used for printing, postage, meeting expenses and other administrative costs.

The N.E.W. Neighborhood Association encourages everyone to get involved, and help make our community a better place. We cannot succeed without people willing to volunteer their time and talent. How can you help?

ATTENTION DOG LOVERS!

**N.E.W. is looking for someone
to take charge of our POOCH PATROL.**

The Pooch Patrol is a group of residents who walk together with their 4-legged friends to help "take a bite out of crime" by looking for suspicious activity. It's a great way to meet your neighbors, spend time with your pet and get some exercise!

DIVERSITY POT-LUCK

N.E.W. recently hosted a Diversity Pot-Luck to encourage people from all over Stark County to come together for food and fellowship...regardless of ethnicity, age, gender, spirituality, socio-economic background or sexual orientation.

Christ United Methodist Church allowed us to use their facility and we received generous donations from the Mount Vernon Neighborhood Association (our fiscal sponsor), Giant Eagle, McDonald's, and Subway. Thank You to all who volunteered to help make the evening a success, and to The Repository for helping to promote the event.

Please patronize our neighborhood businesses!
