president's Notes By Rich Taylor

A Word from the Vice President By Reinette Alecozay

HALLELUJAH! It's SPRING!!!!

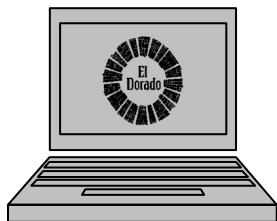

It's time for fun in the sun and activities around the pool, yard and garden! More exciting yet, soon it will be time for the Exemplary Homes Contest, so let's all get our curb appeal up! See Eric Meyer's article in this Sunburst for details on the Contest.

I consider it such an honor and a privilege to live in El Dorado. In the 1970's I worked at Seligmann and Pyle Consulting Engineers with Marco Mendez, the draftsman who designed the blueprint for El Dorado. Marco was understandably very proud of his work. After all, a Paseo and a park with a lake make this a rather unique neighborhood. That was years before my mother moved to this neighborhood in 1978. She found a very special place to live, indeed. But more important than the physical beauty of El Dorado is the genuine camaraderie among our neighbors. Since moving here in 2009, I've found our neighborhood a quiet, attractive place to enjoy family and friends, to walk or bicycle, to swim and to enjoy friendships with some of the best neighbors I've ever had in my life. I don't know about you, but I feel very loved in El Dorado! There is a sense of community here I didn't find living in other parts of San Antonio. I see my neighbors pulling together for a common cause to keep our neighborhood safe and attractive. One thing I love about El Dorado is people care about each other and help each other. We watch out for one another.

Thanks for being a good neighbor!!!

Have you mailed in your El Dorado Homes Association Dues? Please use the form on the back of this issue and mail your 2011 fee right away to keep our clubhouse, pool, park, the Paseo, and common areas maintained properly. You'll be so glad you did!

Condolences

to the family of Howard Dean Stephens, who passed away on March 4, 2011. Dean and Shirley Stephens have been strong supporters of EDHA for many years. Shirley is in charge of Sunburst Distribution and Dean was a former EDHA Board member. As a team, Dean and Shirley have faithfully worked, mostly behind the scenes, and served our community willingly whenever called upon and sometimes when not. We will miss Dean's smile and positive attitude. He was a credit to El Dorado as well as mankind.

Thoughts to Ponder

While it is perfectly legal to park your car on the curb, provided it is in the same direction as traffic, it probably isn't always so smart.

Perhaps if you are on a curve, or near an intersection, or directly behind a neighbor's driveway, and there are many of all of these in El Dorado, you should avoid parking on the curb for obvious reasons.

I'm just saying...

Pool Report

It is past that time of year again when pool prep begins. We got a head start last fall when a reinforcement team came up and trimmed trees and pulled limbs to the brush pile for pick-up. Thanks a million to James Friesenhahn, Kelly Adame, Diego Adame, DanVigil and Don Malik for all your enthusiastic help.

And then the holidays, winter and my procrastination got in the way of progress. Much work is still to be done. I don't think the pool committee can get it finished without some help. A few strong back and willing minds are needed to meet our opening date on Memorial Day Weekend. Help me make it "happen."

Call 653-0997!

Be aware that a late fee has been instituted for pool memberships and/or pool ID's after June 7, 2011, so don't procrastinate! The late fees are \$15.00 and \$10.00 respectively.

El Dorado Exemplary Homes Campaign 2011

By Eric Meyer

Email: info@aquafreelawns.com

In 2007, the El Dorado Homes Association held the first ever Exemplary Homes Campaign as a way to recognize and thank those residents, both owners and renters, who help make El Dorado a nice place to live through payment of their annual association maintenance fees and by keeping a well maintained home and property.

The guidelines for participation in the event are pretty simple: just pay your annual association maintenance fees and keep up your property's curb appeal by having nice landscaping and high maintenance standards.

The campaign is divided into two phases, where 30 exemplary homes are chosen in May and 30 more are chosen in August. Since many residents don't pay their annual maintenance fees until summer, when the pool opens, May's winners are limited to those residents who paid their maintenance fees in 2010 and August's winners are limited to those who pay their fees for 2011.

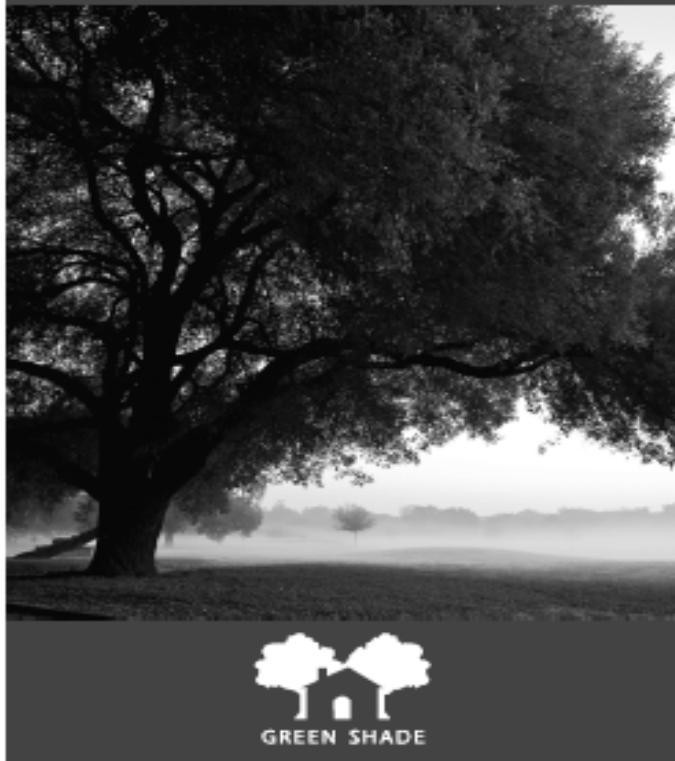

To determine which homes are awarded Exemplary Home status, the six neighborhood association area reps will nominate 8 to 10 homes in each of their respective areas. Then an independent panel of judges, who do not live in El Dorado and who do not know last year's winners, will score the nominees. The scores will then be averaged and the 5 homes with the highest scores in each area will be given the title of Exemplary Home.

The winners receive a temporary yard sign announcing their status as an Exemplary Home and also an invitation to the Exemplary Homes Party on September 17, from 6 to 8pm at the neighborhood clubhouse. At the party, food and beverages will be served and all winners will have a shot at winning fabulous door prizes generously donated by the event's sponsors. Since 2007, we've given away nearly \$8,000 in door prizes.

Judging will take place the first week in May and again the first week in August. All residents are encouraged to clean up and increase the curb appeal of their property. Judges will be looking at the overall appearance of the homes and property. In many cases, it's the minor details which determine the winners. Homes with deed, covenant, or code violations are automatically ineligible from participating.

Please see the June issue of the *Sunburst* for the list of homes chosen in May. I look forward to meeting all the winners at the party in September. Good Luck.

- ◆ Minimum clear-height of 80", "keep all trees and shrubs on the premises well trimmed so they will not overhang the sidewalks or streets in such a manner as to interfere with free passage." **(Code of Ordinances, City of San Antonio, Chapter 29, Article 1, Sec. 29-10)**
- ◆ Maintain a smooth sidewalk rolling surface free "from any defects or hazards" such as large cracks, broken or uplifted sidewalk segments. **(Code of Ordinances, City of San Antonio, Chapter 29, Article 1, Sec. 29-11)**

Maintenance fees are the lifeblood of the El Dorado Homes Association. They are the main source of the revenue required to keep our neighborhood safe, attractive and vibrant. These fees pay for the many expenses that we have as a community, including, but not limited to the following:

- ◆ Keeping the lake mowed and trash-free
- ◆ Paying for insurance, utilities and taxes on the clubhouse, pool and common areas
- ◆ Sponsoring social events and gatherings where neighbors can build relationships
- ◆ Providing for upkeep of the common areas
- ◆ Creating a unique atmosphere that shows a sense of pride in our community!

We are fortunate to live in a neighborhood where the homes association is still active. Because of our residents and the work of the EDHA, we have a beautiful community, a unique paseo and a fantastic pool. We have an assortment of informational signage, which is kept current and relevant. The Social Committee plans events all year for residents' enjoyment, and the Cellular On Patrol program keeps plugging along in attempt to keep the neighborhood safe and crime-free.
