Clean Up Day

We will spend 30-45 minutes walking around the neighborhood picking up odd bits of trash and small debris. Meet in the common area. We will start there, then split into groups and head down the our streets. All are welcome!

Curb Painting

We have won a city grant, and will be painting the house-numbers on everyone's curbs. All painting materials are supplied by the HOA and we need as many volunteers' help as possible to complete this project! With your help, we might be able to finish it in one weekend! So let's get together and complete this wonderful project!! House-numbers on the curbs help Renton's emergency services quickly find our homes at night in emergencies.
