POCKET PARK IMPROVEMENT DAY **SATURDAY OCTOBER 22nd** **8 am – 11 am**

Please spend an hour or two with us for Phase 2 of our landscape plan. We will be installing the decomposed granite pathway and preparing garden beds for spring planting.

The park is located at the corner of McDonald and Stillman, two blocks behind the IHOP at Washington and IH 10.

We will be doing minor dirt work so bring your garden gloves and a shovel or a rake if you have one. Additional shovels, rakes, wheelbarrows and tools will be provided through the Keep Houston Beautiful tool loan program. We will also provide plenty of bottled water.
