

BELLE FOREST CLEAN UP DAY A HUGE SUCCESS THANKS TO YOU!

A GIANT THANKS to all of you who came out and participated in our spring clean up day!

On Saturday April 23 we found out exactly what a dedicated group of people is capable of! We cleared brush and debris from the creek in several spots to get water flowing again, we cleaned out drainage ditches along the back road and created a new ditch to carry water from the meadow to the creek, we picked up trash and trimmed bushes...and best of all we had a great time doing it all **together!**

SUMMER REMINDERS

POOL: Residents are permitted to bring a max of 2 guests to the pool. This prevents overcrowding and allows all residents to enjoy the pool.

BBQs: Please remember that all BBQs must be moved 10 feet away from buildings while in use to comply with fire codes.

GARBAGE PAILS: Please store garbage pail(s) on your patio, not in common areas. Garbage in pails must be covered. Bags may not overflow or be stored out of a pail for any reason. Exposed garbage attracts animals and detracts from the beauty of our property.
