Newcomers Message

October was a busy month, but Pam Proctor, Marilyn Rynearson, and Dianne Evans found time to bake cookies and assemble packets for delivery to the newcomers in the neighborhood. There were 13 homes on our list to visit, but Delta Schuman and her son found only one person home in their group of homes between Eustis and Santa Clara, and Kim Vowell and Marilyn also found only one in their group from Angora to Diceman. Several of the homes were not yet occupied or were being remodeled.

The Welcome Committee tries to visit each newcomer who has moved into the neighborhood during the 3 months between the quarterly Neighborhood Association meetings. A packet of information about the neighborhood activities, shopping, schools, and general points of interest, along with a dozen cookies, is left at each home, delivered personally to the new occupants whenever possible. It is a fun thing to do, takes very little time, and we welcome any who would enjoy joining in this contribution to the Little Forest Hills neighborhood!

If you have a new neighbor or would like to get involved by volunteering for this committee please give us a call or email with information to:

Trash Talkers

by Karin VanSlyke

Isn't being so close to White Rock Lake one of the best things about living in Little Forest Hills? Do you ever walk, run, bike or picnic there? Do you ever get that sense of pride when you drive by and think to yourself about how lucky we are to live in such a beautiful area?

But wouldn't it be horrible if trash or debris along the shoreline ruined our lake?

Well, that's where we come in. LFH Trash Talkers is a group of friends and neighbors who volunteer just three to four hours a year (yes, you read that right) to chip in and do our part by cleaning our neighborhood's adopted portion of the shoreline.

All you need to do is email Karin VanSlyke at lfhtrashtalkers@gmail.com and submit your name, address, email, and phone number. We will add you to our list of volunteers and schedule you for two shoreline cleanup shifts, which occur on the second Saturday of each month, first thing in the morning. It doesn't get easier than that!

And if that's not enough, we will host an annual appreciation party for volunteers - complete with prizes for the most interesting trash item found throughout the year!

We've already had some fantastic neighbors commit to being a Trash Talker - but we need more people to sign up! Make 2012 the year you volunteer, get involved, and make some new friends!

Are you ready to talk some trash?? Didn't you know that's a good thing?!

The Presidents' Message

Denise and Max Davis

We want to say "Thank You", to all residents of Little Forest Hills neighborhood. You made it possible for the Neighborhood Association to donate over \$5,000 to very worthwhile causes in 2011.

In addition to our annual Christmas Charity Donations, we supported the **Ferguson Road Initiative** (crime prevention awareness), **Alex Sanger Elementary School, LFH Animal Alert**, and the **White Rock Lake Centennial Celebration**.

Your Neighborhood Association dues and newsletter advertising cover the printing costs of our wonderful quarterly newsletter.

Your participation in neighborhood events, such as the **East Dallas Garden Tour** and the **Funky 4K Fun Run**, allow the association to sponsor the annual "**National Night Out**" event and the traditional "**Fourth of July Parade**" thru Little Forest Hills.

Thanks to all the volunteers that make these events possible.

Thanks also to the new LFHNA Board of Directors and Committee Chairs. These are your friends and neighbors, volunteering their time and energy, and making a difference in East Dallas.

Animal Alert!

Uninvited House Guests
by Bonnie Bradshaw, 911 Wildlife

Here are the top five ways to prevent squirrels, raccoons, opossums and skunks from moving into your home during the winter:

1. Don't provide a midnight buffet. Birdseed, pet food and table scraps attract wildlife from miles away. Only put the amount of birdseed in your feeder in the morning that will be completely consumed before dusk. Don't leave pet food or unsecured garbage outside overnight. And if you have a pet door, close it at night by sliding a template in place to cover the entrance.
2. Don't put out a welcome mat. Trim overhanging branches that provide easy access to your roof for squirrels and other wildlife. Loose shingles are the equivalent of a flashing "Vacancy" sign for wildlife. Carefully inspect your roof and eaves. Repair deteriorating boards, warped siding and damaged shingles. Cover attic openings with heavy gauge, rustproof wire mesh (not chicken wire). If you have a chimney, make sure that it has a secure cap. Chimneys without caps are open invitations to raccoons looking for "hollow trees" in which to give birth and raise their young.
3. Don't forget your friends in low places. If you have a pier-and-beam foundation, cover vent openings with heavy gauge, rustproof wire mesh. If you have a deck, install an L-shaped barrier around it -- dig a trench 12 inches deep and 8 inches wide around the perimeter of the deck, line the bottom of the trench with heavy gauge wire mesh, bend it 90 degrees up, attach the wire mesh to the base of the deck with screws and washers and then backfill. This barrier will permanently prevent animals from digging underneath a deck or shed.
4. Don't waste time and money. If you're hearing strange noises from your attic and you suspect that furry guests already have moved in, call 911 Wildlife at 214.368.5911 to humanely evict and permanently exclude them. Wildlife can damage electrical wires, cause water damage, stain ceilings, destroy attic insulation and create unpleasant odors. If you hear scratching or gnawing sounds, it's important to get expert advice and take action immediately. Don't waste time and money on traps or home remedies that can make the problem worse.
5. Spread the word. Share this information with your neighbors so they don't end up with uninvited guests.

GARDEN TOUR 2012!!

The time is coming soon for the annual White Rock Lake Garden and Artisan's Tour in May of 2012. We need 2 volunteers to agree to have their yard on tour this coming year. If you don't think you are ready yet, you probably are pretty close and we have some wonderful volunteers that can help you get ready. If you have a neighbor who you think would be a good yard for the tour, please call or email me and I will be glad to approach them. We will also need to depend upon other Little Forest Hills residents to volunteer as yard-sitters, ticket-sellers, plant sale volunteers, plant sale growers, as well as other needs. Please send me an email or call if you'd like to volunteer to help with any of these duties. This is our biggest and most fun fundraising event of the year!

OUR NEW OFFICERS AND COMMITTEE

by Mike Schmitt

The Little Forest Hills Neighborhood Association has always depended upon our wonderful and hard working volunteers to make it the success it has become. I was asked to chair the nominating committee this year and want to thank all of our fantastic neighbors who stepped up and agreed to serve either on committees or chair committees for the coming two years.

New Board of Directors will be:

- First of all **Max** and **Denise Davis** (*San Benito*) have again agreed to serve as co-presidents. I know everyone will agree on how great a job they have done as the leaders of our association.
- Patty Mance** (*Diceman*) has again agreed to serve as Vice-president/membership chairman. Patty is such an asset to the neighborhood.
- After **Linda Calvert** (*San Fernando*) has done such a wonderful job as treasurer, our new treasurer will be **Todd Ramsey** (*San Benito*).
- Crispin Reedy** (*Groveland*) has agreed to take on the job as our Secretary, after **Dennis Jackson** (*San Benito*) has done such a great job.
- With our new bylaws, we will have up to 3 directors who will serve on the board. **Susan Remele, Linda Calvert**, and I will serve as directors.

New committee chairs will be:

- Don** and **Karin VanSlyke** (*Daytonia*) who will chair the Lake Cleanup group, otherwise known as "The Trash Talkers," formally chaired by the fun-loving **Todd Ramsey**.
- David** and **Debbie Self**, (*Diceman*) have agreed to take over the Advertising Committee from the capable hands of **Sandra Stevenson**. (*San Benito*).
- The 4th of July parade, which was capably handled by **Scot** and **Syl Williams** (*Groveland*) for many years, will now be headed up by our good friends **Kim** and **Kevin Vowell**, (*San Leandro*).
- Albert Barbosa** (*San Fernando*) will take over as our crime watch chairman from the loving hands of **Nancy Whittier**. (Combined with the VIP position).
- Kathryn** and **Benjamin Jacob** (*Redondo*) have agreed to take over the Newsletter distribution on the north side of Little Forest Hills from the hardworking **Kathleen Casey** (*Angora*).
- My good friends and neighbors **Frank** and **Debra Cortese** (*San Benito*) have agreed to take over the Funky 4K Run from the capable hands of **Bob** and **Sharon Klug** now living in San Diego, California.
- Scot & Syl Williams** (*Groveland*) will serve as the Arboretum Liaison, replacing me.
- I will be taking on the Garden Tour role

for LFH, formerly headed up by the illustrious **Bob & Sharon Klug**.

There are many more volunteers who are continuing to serve our association, but space would not allow me to list everyone. This article is just to introduce you to the people in new positions. If you are interested in having a say in the improvement of Casa Linda Park, we could use a volunteer to head up that committee. They would work with the Casa Linda Estates and Casa Linda Forest neighborhoods and coordinate with the City of Dallas.

I want to personally thank each and every one of you who volunteer your time and efforts to help improve our neighborhood.

For a complete list of Board Members and Committee Chairs, see the back of your newsletter.

Elections were held at the October 2011 General Meeting.
The following are your Board of Directors:

CHRISTMAS IN LFH

Celebrating Community Spirit While Promoting Neighborhood Safety

by Nancy Whittier

The fourth annual Little Forest Hills and Casa Linda Estates National Night Out Against Crime (NNO) event was held on October 4 at Casa Linda Park. If you were one of the many neighbors who joined the fun, then you'll know what a great turnout we had from our local police department. Several police officers stopped by to visit, and we even had a low-flying police helicopter encircle the park. The local fire department drove a shiny red fire truck to the park so children and adults alike could hop aboard for a rare glimpse inside.

While other parts of the nation celebrate NNO in August, we Texans wait until October to avoid the sweltering heat. NNO is designed to:

- Heighten crime prevention and drug prevention awareness;
- Generate support for, and participation in, local anticrime programs;
- Strengthen neighborhood spirit and police-community partnerships; and
- Send a message to criminals letting them know that neighborhoods are organized and fighting back

2011 marked the nation's 28th annual National Night Out. While the traditional 'lights on' and front porch vigils remain a part of NNO, activities have expanded considerably over the years to include block parties, cookouts, parades,

visits from police, festivals, neighborhood flashlight walks, safety fairs, contests, rallies and meetings.

If you missed out this year, be sure to attend next year's NNO event. NNO has proven to be an effective, inexpensive and enjoyable program to promote neighborhood spirit and police-community partnerships in our fight for a safer nation.

The Fix It Folks -- Going Beyond Maintenance

by Linda Calvert

With the recent article in Dallas' **Advocate** magazine boasting the merits of The Fix It Folks, it may seem redundant to take up more space here, but I will add a few ideas.

First, keep in mind that when you are buying gifts for neighbors for birthdays, anniversaries, or a kind Thank You, consider purchasing a \$10 raffle ticket from us for this year's drawing. Your thoughtful donation not only lends the opportunity for winning the prize drawing, but most importantly, your donation offers much needed funding support to help The Fix It Folks operate. Think of it as a way you can help your neighbor without even picking up a hammer. This year's raffle should affect every resident of our great neighborhood because it offers a chance to pick the improvement to your home you wish. Check out more details on Page 14 and support us. We need your help to help!

Secondly, take a look around our neighborhood and see if there is something simple you can do to assist a neighbor in need. Perhaps help with holiday decorating and removal, or help getting heavy & oversized garden plants in for the winter; maybe pick-up an ailing neighbor's medication or do their grocery shopping; or pick-up trash & blow debris out of their yard so the streets and community are tidy at all times. There are more ways to serve others and feel the pride of helping without putting on a tool belt.

The reputation Little Forest Hills has as a “friendly and happy place to live,” is the very reason many of us are here, so maybe we can add the word brotherly to that image and become even more envied throughout Dallas than we already are today.

LFHNA Donations

LFHNA donated \$250 to each of these three charities.

Ladies of Charity: **Rose Marie Avery** - Volunteer (right)
Margaret Nigliazzo - Volunteer (left)

White Rock Center of Hope:
Betty Haire - Volunteer for over 19 years

Magdalene House: **Michele Derrington** - Exec Director (center)
Natalie Rudloff - Supv (left)
Marie Vestal Cox - Supv (right)

In addition, LFHNA donated \$750 in gift cards and food, to a family that was identified by our contact at Sanger Elementary. The family has eight children (7 attend Sanger).

The year fall announced its arrival!

Saturday, November 5th, 2011 was the day and Little Forest Hills was the place. The 3rd Annual Fall Funky 4K Fun Run & Kid's Race took place at Casa Linda Park. We had lots of wind and a chill in the air, but that didn't stop participants and spectators from coming out and having a great day! Racers were treated to yogurt from TCBY, fish tacos from Fish City Grille and live music! A big thanks to Joe Baudette and the area musicians for their generous donation of time & talent to make this another super year!

The 2011 top 3 winners in each category:

MALE	FEMALE
1st Mathew Babcock	1st Leslie Corrie
2nd Don Van Slyke	2nd Patty Mance
3rd Michael Beaudoin	3rd Denise Davis

The race this year partnered with the LFH Animal Alert to raise money for our furry friends too. We are very happy to say, one dog found a loving home that day!

We had great volunteers who were so enthusiastic and hard working! Thank You all so much for coming out to help.
