# resident's Notes By Rich Taylor

This is a special thanks to all the El Dorado residents who have already paid your association dues. And a special thanks to all those who responded favorably to the teams that canvassed the neighborhood recently to solicit the support of each resident in paying their dues. Our community is blessed to have such a great swimming pool and a beautiful clubhouse which serves the community so well. The expense of maintenance of those areas, as well as the paseo, the lake area and the entrance islands would not be possible without the support of each El Dorado resident.

Judging for the first round of our semi-annual Exemplary Homes contest, for those who paid their association dues for 2011, will have begun by the time you read this Sunburst issue. Winners will be recognized in the next issue of the Sunburst. Judging for those who pay their 2012 dues will be held at a later time and all the winners of both sessions will be honored with a banquet at the clubhouse sometime later this year. I encourage every resident to continue to give your homes and yards special attention throughout the year to show your pride in your home, and in the community, and to provide positive motivation to all the other residents to do the same.

I remind every El Dorado resident that you are welcome to attend the monthly meetings of our Board of Directors at the clubhouse on the second Monday of each month at 7:00 PM. Input on any matter of relevance to our community is welcomed by the board.

I remind you also that our community is always looking for more residents to become active in the Cellular on Patrol program. The servant attitude of members of that group for the good of the community is evident as we patrol the neighborhood while displaying our Cellular on Patrol signs on our vehicles. Check my article in the February Sunburst for details of how you can arrange to attend the required training to become eligible to serve your community.

Yours for a better El Dorado.

Rich Taylor

#### PASEO WILDFLOWERS

Have you seen the south end of the Paseo across from the school? Last year was a good year for the larkspurs, and we had several mothers who came and took photos of their children while among the flowers. But this year is even better with all the rain and my new hobby of raising redworms. I have fertilized three or four times with what's called worm tea, which is made from the worm castings or manure.

My sister-in-law brought us all kinds of wildflower seeds from the countryside about 50 miles south of here. They are also starting to bloom; wine cups, indian paint brushes, etc., and the Paseo should get prettier as those begin to show off. Lauren Curtis contributed the poppy seeds from her beautiful yard with all the poppies and larkspurs on La Bahia.

I apologize for the crude, homemade, tacky, unprofessional signs, but I want everybody to enjoy the beauty of nature at work and maybe learn something in the process.

If you have any suggestions, please pass them along. Or, if you're interested in learning about redworms, vermiculture, worm tea, worm manure or just composting or gardening in general, please visit me at my home at 12631 El Sendero, across from the school, or 653-6094.

Joe Williams

Judging by the happy little faces, the Easter Egg Hunt was a great success and the turnout was good. The children not only enjoyed the hunt but also the bubble blowing, coloring rabbits and eating cupcakes and juice. Many thanks to Dre' Morris for hosting the event. Thanks go to Britney Morris, Jenell Barger, Jessica Hess and Diane Johnson from Valencia for assisting. Everyone had a wonderful time.

Lola Olsmith

Alexisquinones84@yahoo.com

**WANTED:** Person to clean 2 story house. Will pay well. Lynetta Liebenguth 655-1443

Classified ads and miscellaneous notices are available to El Dorado residents for \$3.00 (approx. 25 words). Ads by students are free. Contact Reinette Alecozay at 241-2683 or EDHASunburst@satx.rr.com by the 15<sup>th</sup> of the month.

Identification will be required this year but not with a picture. We will need the names of parents and children with ages for each child and phone numbers for emergency contacts. I.D.'s will be done after receiving your membership fee and info.

\*\*\*\*\*\*\*\*\*\*

### **Contractor's Corner**

There are four things most people do not know about their cell phones which can benefit them. Not only are these features useful but can be lifesaving.

The Emergency Number for mobile phones worldwide is 112. Persons outside the coverage area of their local mobile phone provider experiencing an emergency can dial 112 and the phone will search any existing network to establish the emergency number for the caller. The number can be dialed even if the keypad is locked.

Cell phones are equipped with reserve battery power should the battery be low. Press the keys \*3370# and the reserve power is immediately tapped. In fact, the phone will immediately show a 50 percent increase in battery power. The reserve power is restored as the same time one charges the phone's regular battery.

If the cell phone is stolen, it can be disabled so the thief cannot use or sell it. Each mobile phone has a unique 15 digit serial number that can be accessed by dialing \*#06#. By writing this number down, if your phone is stolen, you can alert your local wireless communications provider and give them this number. The provider can thus disable the phone so that even if the thief changes the SIM card, it is totally useless.

Free directory assistance on your mobile phone by dialing (800) FREE411 - 800-373-3411 and you can secure a phone number free of charge. This service is sponsored by McDonald's.

# Flag Etiquette

#### **Displaying the Flag Outdoors**

When the flag is displayed from a staff projecting from a window, balcony, or a building, the union should be at the peak of the staff unless the flag is at half staff.

When it is displayed from the same flagpole with another flag of a state, community, society or Scout unit - the flag of the United States must always be at the top except that the church pennant may be flown above the flag during church services for Navy personnel when conducted by a Naval chaplain on a ship at sea.

When the flag is displayed over a street, it should be hung vertically, with the union to the north or east. If the flag is suspended over a sidewalk, the flag's union should be farthest from the building.

When flown with flags of states, communities, or societies on separate flag poles which are of the same height and in a straight line, the flag of the United States is always placed in the position of honor - to its own right.

- The other flags may be smaller but none may be larger.
- No other flag ever should be placed above it.
- ♦ The flag of the United States is always the first flag raised and the last to be lowered.

When flown with the national banner of other countries, each flag must be displayed from a separate pole of the same height. Each flag should be the same size. They should be raised and lowered simultaneously. The flag of one nation may not be displayed above that of another nation.

#### **Displaying the Flag Indoors**

When on display, the flag is accorded the place of honor, always positioned to its own right. Place it to the right of the speaker or staging area or sanctuary. Other flags should be to the left.

The flag of the United States of America should be at the center and at the highest point of the group when a number of flags of states, localities, or societies are grouped for display.

When one flag is used with the flag of the United States of America and the staffs are crossed, the flag of the United States is placed on its own right with its staff in front of the other flag.

When displaying the flag against a wall, vertically or horizontally, the flag's union (stars) should be at the top, to the flag's own right, and to the observer's left.
