## WEHA ANNUAL MEETING

The annual meeting of the Westchester Estates Homeowner's Association (WEHA) will be held on March 20th at 7 PM at Joy Baptist Church located at 4309 W. 79th St. -- a mile west of 79th & Michigan Rd. This meeting will be a little different. We will briefly review the events of the past year and the current status of the neighborhood, approve a budget and elect officers, however; we intend to spend the majority of the time reviewing the proposed amended and restated covenants for the neighborhood. All owners of property in Westchester Estates will have received a copy of the current and the proposed amended covenants several weeks before the annual meeting. If your concerns with the amended covenants are not satisfied before the annual meeting, bring those concerns to the meeting and we will consider making changes at that time. There is plenty of room in the church. We look forward to having a very good meeting.  
Roger Vandrey, President, WEHA

Please consider serving on the WEHA Board. Looking for newsletter publisher, special event/social coordinator and secretary.

## Crime Watch News

Four youths in hoodies were throwing rocks at the shelter. On another day, two similar youths were observed testing car doors and taking a bag from an unlocked car. They were confronted from a distance and police were called. The youths dropped the bag and ran. They were not found by the police. The maroon conversion van mentioned last month was seen in the neighborhood again but left when it was obvious they had been spotted and before the license plate number could be confirmed.

Get to know your neighbors and watch out for each other. Trust your gut...If you see suspicious activity call 911.

**SOCIAL: The Spring Fling will be April 7<sup>th</sup>** at the WERC Shelter. The program will follow the model of the last three years. Games for the children will be added if someone to run the games can be found. We will start stuffing Easter eggs after the annual meeting.
