Welcoming/Newsletter
Nancy Gillespie
918-488-0733

Secretary
This position is still open.
Please consider serving on
the DSHA Board.

New Trash Pick-Up Day

Starting Monday, July 2,
our neighborhood will have
once-a-week trash pick up
on Mondays only. We have
been notified that our area is
one of the first stops of the
day, so it will be early in the
morning. This will be the
schedule until October 1st.

DSHA Annual Meeting

The Darlington South Homeowners Association's Annual Meeting will be held on Thursday, September 13, 2012 at the Helmerich Library (5131 E. 91st) from 6:00-7:45 PM. We would love to get your input, feedback, suggestions, recommendations and questions, so please plan to attend.

Next Garage Sale

Our next neighborhood garage sale is scheduled for Friday, October 12 and Saturday, October 13, 2012. Once again, you will have a chance to clean out those closets, attics, and garages, and make some money to boot!

DSHA Website

Please visit the new DSHA website at:
http://www.neighborhoodlink.com/Darlington_South.
Some of the information you will find there includes:

- Calendar of upcoming meetings and events
- Previous newsletters
- Place to enter your own information
- Discussion groups
- Links, such as: City of Tulsa, Tulsa Police Dept., Tulsa City Council, etc.

Summertime Safety

Accidental drowning is one of the leading causes of death for young children. If you have a swimming pool, koi pond, or other body of water, please be absolutely certain that these areas are secure. It only takes a few minutes for a wandering toddler to get into a very dangerous situation if he or she has access to open water. Let's keep our kids safe!

Greenbelt Use

Please have a serious talk with your children regarding the use of unauthorized vehicles on our neighborhood greenbelts. This includes motorcycles, scooters, 4-wheelers, etc. This is for the safety of pedestrians walking in these areas, as well as the safety of your children. It is also to prevent damage to the grass and ruts which hinder mowing.
